P O Box 90775
Henrico VA 23273-0775

The proposed stream restoration work consists of in-stream structure installation and floodplain bench grading, disc golf basket installation, seeding, planting, and all of the necessary incidentals described and illustrated in the Contract Documents. The disc golf course will be closed from February 1, 2017 through July 31, 2017 to allow for construction of the stream restoration project. Substantial completion must be achieved by August 1, 2017, barring any excusable delays as defined in the Contract General Terms and Conditions. All heavy equipment must be removed from the site prior to substantial completion dates. The worksite address is: 4901 Francistown Road, Henrico VA 23060.

Pursuant to Henrico County Code Section 16-43, the Board of Supervisors shall be the awarding authority.

The hours of operation are 7 AM to 7 PM.

Beginning on September 6, 2016 Bid Documents consisting of Contract Drawings and Project Manuals may be obtained by visiting the Henrico County Electronic Document's Web portal at www.ebidexchange.com/henrico Options are provided for downloading a complete set of documents or selected files from this web portal. The Contract Drawings and Project Manuals are provided in PDF Format, which may be shared electronically with your subcontractors, employees, and suppliers. The failure or omission of any bidder to download, receive or examine any form, instrument, addendum or other documents, or to acquaint itself with conditions existing at the site(s), shall in no way relieve any bidder from any obligations with respect to its bid or to the contract

A non-mandatory pre-bid conference will be held at **10:00 am. on September 13, 2016** at the Purchasing Office conference room, 8600 Staples Mill Road, Henrico VA 23228 to review the scope of work and clarify any aspects of the work that may be in question. A site visit will commence after the meeting. Direct any questions, concerning the Project Manual via fax or email to Michael Elander, PE/Timmons Group/ phone# 804.200.6545/ email **michael.elander@timmons.com**

Time is of the essence, and all bids received after the appointed hour for submission, whether by mail or otherwise, will be returned unopened. The time of receipt shall be determined by the time clock stamp in the Purchasing Office, Department of Finance. Bidders are responsible for insuring that their bid is stamped by Purchasing Office personnel.

Bids must be accompanied by either a cashier's check or certified check or bidder's bond (AIA 310) in the amount of **5 percent** of the total bid amount and made payable to the County of Henrico, Virginia.

Envelopes containing bids shall be sealed and marked in the lower left-hand corner with the bid request number, goods or services sought, hour and due date of the bid and the bidder's Virginia contractor registration number.

All bidders shall use the enclosed Bid Form in submitting their bid prices.

A bid may not be modified, withdrawn or cancelled by the bidder after the time and date designated for the receipt of bids and for 91 days thereafter except as provided by Section 2.2-4330, Procedure (ii), Chapter 7 of the Code of Virginia, as amended.

If a contract is awarded, a separate performance bond and a payment bond **AIA Document A312 (2010) and as provided in the Project Manual** for 100% of the contract amount shall be provided by the successful bidder.

The Owner reserves the right to waive informalities and/or reject all bids. In accordance with Va. Code, Section 2.2-4319, the Owner shall not reject all bids solely to avoid awarding a contract to a particular responsive and responsible bidder.

The Bidder must be a registered contractor in the Commonwealth of Virginia in accordance with Title 54.1, Chapter 11 of the Code of Virginia, as amended, at the time of bid submission, and shall possess a **Virginia Contractor's License A.** The Bidder shall have bid and completed projects of comparable nature, size, complexity and construction cost. The Bidder should submit with its bid a completed AIA Document A305, Contractor's Qualifications Statement, which shall document how the applicable projects meet or exceeds the size, complexity, and nature of this project; and includes details of the management staff and self performed activities associated with the referenced projects. Only those projects which the Bidder performed the work as the General Contractor should be included in the AIA Document A305. Bidders are not required to submit AIA Document A305, Contractor's Qualification Statement if they have submitted one within the last twelve (12) months as of the date of this bid. **Additional qualifications** include: Contractor must demonstrate experience with multiple stream, streambank restoration, and/or bank stabilization projects. These projects must include: A minimum of 1,000 linear feet of channel or bank restored. Installation of stream restoration structures, such as:

a. Toe wood
b. Reinforced soil lifts
c. Live Stakes

Provide a contact person for each project that can verify the successful completion of the project (s) or documentation from the owner or regulatory agency staff attesting to the successful completion of the project(s). These references will be contacted to discuss the projects
