September	**Category I, III and V Periodic Test Due**
March / September	**Periodic Inspection Due**

All Acceptance, Alteration and Periodic Inspections / Tests shall be performed in accordance with the requirements of the VA USBC/VCC and VA USBC/VMC, and the A17.1 code in affect at the time of installation / alteration as referenced in the VA USBC. Approved Acceptance / Alteration inspection and test reports shall be received by Henrico County before the equipment is put into service and/or a Certificate of Occupancy will be issued. All approved Periodic Inspection / Test reports shall be received by Henrico County on or before the last day of the inspection month. If the Inspection / Test reveal any code violations, they shall be corrected, re-tested, re-inspected and approved by the Inspector before the equipment is returned to service. All data plates, test tags, seals, etc. shall be installed at the time of inspection. Operating equipment without proper certification is a violation of the VA USBC/VCC and VA USBC/VMC. Failure to abate a code violation of the VA USBC may be punished, upon conviction, by a fine of $2,500.

September	**Category I, III and V Periodic Test Due**
March / September	**Periodic Inspection Due**

All Acceptance, Alteration and Periodic Inspections / Tests shall be performed in accordance with the requirements of the VA USBC/VCC and VA USBC/VMC, and the A17.1 code in affect at the time of installation / alteration as referenced in the VA USBC. Approved Acceptance / Alteration inspection and test reports shall be received by Henrico County before the equipment is put into service and/or a Certificate of Occupancy will be issued. All approved Periodic Inspection / Test reports shall be received by Henrico County on or before the last day of the inspection month. If the Inspection / Test reveal any code violations, they shall be corrected, re-tested, re-inspected and approved by the Inspector before the equipment is returned to service. All data plates, test tags, seals, etc. shall be installed at the time of inspection. Operating equipment without proper certification is a violation of the VA USBC/VCC and VA USBC/VMC. Failure to abate a code violation of the VA USBC may be punished, upon conviction, by a fine of $2,500.

September	**Category I, III and V Periodic Test Due**
March / September	**Periodic Inspection Due**

All Acceptance, Alteration and Periodic Inspections / Tests shall be performed in accordance with the requirements of the VA USBC/VCC and VA USBC/VMC, and the A17.1 code in affect at the time of installation / alteration as referenced in the VA USBC. Approved Acceptance / Alteration inspection and test reports shall be received by Henrico County before the equipment is put into service and/or a Certificate of Occupancy will be issued. All approved Periodic Inspection / Test reports shall be received by Henrico County on or before the last day of the inspection month. If the Inspection / Test reveal any code violations, they shall be corrected, re-tested, re-inspected and approved by the Inspector before the equipment is returned to service. All data plates, test tags, seals, etc. shall be installed at the time of inspection. Operating equipment without proper certification is a violation of the VA USBC/VCC and VA USBC/VMC. Failure to abate a code violation of the VA USBC may be punished, upon conviction, by a fine of $2,500.

September	**Category I, III and V Periodic Test Due**
March / September	**Periodic Inspection Due**

All Acceptance, Alteration and Periodic Inspections / Tests shall be performed in accordance with the requirements of the VA USBC/VCC and VA USBC/VMC, and the A17.1 code in affect at the time of installation / alteration as referenced in the VA USBC. Approved Acceptance / Alteration inspection and test reports shall be received by Henrico County before the equipment is put into service and/or a Certificate of Occupancy will be issued. All approved Periodic Inspection / Test reports shall be received by Henrico County on or before the last day of the inspection month. If the Inspection / Test reveal any code violations, they shall be corrected, re-tested, re-inspected and approved by the Inspector before the equipment is returned to service. All data plates, test tags, seals, etc. shall be installed at the time of inspection. Operating equipment without proper certification is a violation of the VA USBC/VCC and VA USBC/VMC. Failure to abate a code violation of the VA USBC may be punished, upon conviction, by a fine of $2,500.

September	**Category I, III and V Periodic Test Due**
March / September	**Periodic Inspection Due**

All Acceptance, Alteration and Periodic Inspections / Tests shall be performed in accordance with the requirements of the VA USBC/VCC and VA USBC/VMC, and the A17.1 code in affect at the time of installation / alteration as referenced in the VA USBC. Approved Acceptance / Alteration inspection and test reports shall be received by Henrico County before the equipment is put into service and/or a Certificate of Occupancy will be issued. All approved Periodic Inspection / Test reports shall be received by Henrico County on or before the last day of the inspection month. If the Inspection / Test reveal any code violations, they shall be corrected, re-tested, re-inspected and approved by the Inspector before the equipment is returned to service. All data plates, test tags, seals, etc. shall be installed at the time of inspection. Operating equipment without proper certification is a violation of the VA USBC/VCC and VA USBC/VMC. Failure to abate a code violation of the VA USBC may be punished, upon conviction, by a fine of $2,500.

March	**Category I, III and V Periodic Test Due**
March / September	**Periodic Inspection Due**

All Acceptance, Alteration and Periodic Inspections / Tests shall be performed in accordance with the requirements of the VA USBC/VCC and VA USBC/VMC, and the A17.1 code in affect at the time of installation / alteration as referenced in the VA USBC. Approved Acceptance / Alteration inspection and test reports shall be received by Henrico County before the equipment is put into service and/or a Certificate of Occupancy will be issued. All approved Periodic Inspection / Test reports shall be received by Henrico County on or before the last day of the inspection month. If the Inspection / Test reveal any code violations, they shall be corrected, re-tested, re-inspected and approved by the Inspector before the equipment is returned to service. All data plates, test tags, seals, etc. shall be installed at the time of inspection. Operating equipment without proper certification is a violation of the VA USBC/VCC and VA USBC/VMC. Failure to abate a code violation of the VA USBC may be punished, upon conviction, by a fine of $2,500.

March / September	**Periodic Inspection Due**

All Acceptance, Alteration and Periodic Inspections / Tests shall be performed in accordance with the requirements of the VA USBC/VCC and VA USBC/VMC, and the A17.1 code in affect at the time of installation / alteration as referenced in the VA USBC. Approved Acceptance / Alteration inspection and test reports shall be received by Henrico County before the equipment is put into service and/or a Certificate of Occupancy will be issued. All approved Periodic Inspection / Test reports shall be received by Henrico County on or before the last day of the inspection month. If the Inspection / Test reveal any code violations, they shall be corrected, re-tested, re-inspected and approved by the Inspector before the equipment is returned to service. All data plates, test tags, seals, etc. shall be installed at the time of inspection. Operating equipment without proper certification is a violation of the VA USBC/VCC and VA USBC/VMC. Failure to abate a code violation of the VA USBC may be punished, upon conviction, by a fine of $2,500.

March	**Category I, III and V Periodic Test Due**
March / September	**Periodic Inspection Due**

All Acceptance, Alteration and Periodic Inspections / Tests shall be performed in accordance with the requirements of the VA USBC/VCC and VA USBC/VMC, and the A17.1 code in affect at the time of installation / alteration as referenced in the VA USBC. Approved Acceptance / Alteration inspection and test reports shall be received by Henrico County before the equipment is put into service and/or a Certificate of Occupancy will be issued. All approved Periodic Inspection / Test reports shall be received by Henrico County on or before the last day of the inspection month. If the Inspection / Test reveal any code violations, they shall be corrected, re-tested, re-inspected and approved by the Inspector before the equipment is returned to service. All data plates, test tags, seals, etc. shall be installed at the time of inspection. Operating equipment without proper certification is a violation of the VA USBC/VCC and VA USBC/VMC. Failure to abate a code violation of the VA USBC may be punished, upon conviction, by a fine of $2,500.

March / September	**Periodic Inspection Due**

All Acceptance, Alteration and Periodic Inspections / Tests shall be performed in accordance with the requirements of the VA USBC/VCC and VA USBC/VMC, and the A17.1 code in affect at the time of installation / alteration as referenced in the VA USBC. Approved Acceptance / Alteration inspection and test reports shall be received by Henrico County before the equipment is put into service and/or a Certificate of Occupancy will be issued. All approved Periodic Inspection / Test reports shall be received by Henrico County on or before the last day of the inspection month. If the Inspection / Test reveal any code violations, they shall be corrected, re-tested, re-inspected and approved by the Inspector before the equipment is returned to service. All data plates, test tags, seals, etc. shall be installed at the time of inspection. Operating equipment without proper certification is a violation of the VA USBC/VCC and VA USBC/VMC. Failure to abate a code violation of the VA USBC may be punished, upon conviction, by a fine of $2,500.

Approved Acceptance / Alteration inspection and test reports shall be received by Henrico County before the equipment is put into service and/or a Certificate of Occupancy will be issued. All approved Periodic Inspection / Test reports shall be received by Henrico County on or before the last day of the inspection month. If the Inspection / Test reveal any code violations, they shall be corrected, re-tested, re-inspected and approved by the Inspector before the equipment is returned to service. All data plates, test tags, seals, etc. shall be installed at the time of inspection. Operating equipment without proper certification is a violation of the VA USBC/VCC and VA USBC/VMC. Failure to abate a code violation of the VA USBC may be punished, upon conviction, by a fine of $2,500.

All approved Periodic Inspection / Test reports shall be received by Henrico County on or before the last day of the inspection month. If the Inspection / Test reveal any code violations, they shall be corrected, re-tested, re-inspected and approved by the Inspector before the equipment is returned to service. All data plates, test tags, seals, etc. shall be installed at the time of inspection. Operating equipment without proper certification is a violation of the VA USBC/VCC and VA USBC/VMC. Failure to abate a code violation of the VA USBC may be punished, upon conviction, by a fine of $2,500.

September	**Category I, III and V Periodic Test Due**
March / September	**Periodic Inspection Due**

All Acceptance, Alteration and Periodic Inspections / Tests shall be performed in accordance with the requirements of the VA USBC/VCC and VA USBC/VMC, and the A17.1 code in affect at the time of installation / alteration as referenced in the VA USBC. Approved Acceptance / Alteration inspection and test reports shall be received by Henrico County before the equipment is put into service and/or a Certificate of Occupancy will be issued. All approved Periodic Inspection / Test reports shall be received by Henrico County on or before the last day of the inspection month. If the Inspection / Test reveal any code violations, they shall be corrected, re-tested, re-inspected and approved by the Inspector before the equipment is returned to service. All data plates, test tags, seals, etc. shall be installed at the time of inspection. Operating equipment without proper certification is a violation of the VA USBC/VCC and VA USBC/VMC. Failure to abate a code violation of the VA USBC may be punished, upon conviction, by a fine of $2,500.

September	**Category I, III and V Periodic Test Due**
March / September	**Periodic Inspection Due**

All Acceptance, Alteration and Periodic Inspections / Tests shall be performed in accordance with the requirements of the VA USBC/VCC and VA USBC/VMC, and the A17.1 code in affect at the time of installation / alteration as referenced in the VA USBC. Approved Acceptance / Alteration inspection and test reports shall be received by Henrico County before the equipment is put into service and/or a Certificate of Occupancy will be issued. All approved Periodic Inspection / Test reports shall be received by Henrico County on or before the last day of the inspection month. If the Inspection / Test reveal any code violations, they shall be corrected, re-tested, re-inspected and approved by the Inspector before the equipment is returned to service. All data plates, test tags, seals, etc. shall be installed at the time of inspection. Operating equipment without proper certification is a violation of the VA USBC/VCC and VA USBC/VMC. Failure to abate a code violation of the VA USBC may be punished, upon conviction, by a fine of $2,500.

March / September	**Periodic Inspection Due**

All Acceptance, Alteration and Periodic Inspections / Tests shall be performed in accordance with the requirements of the VA USBC/VCC and VA USBC/VMC, and the A17.1 code in affect at the time of installation / alteration as referenced in the VA USBC. Approved Acceptance / Alteration inspection and test reports shall be received by Henrico County before the equipment is put into service and/or a Certificate of Occupancy will be issued. All approved Periodic Inspection / Test reports shall be received by Henrico County on or before the last day of the inspection month. If the Inspection / Test reveal any code violations, they shall be corrected, re-tested, re-inspected and approved by the Inspector before the equipment is returned to service. All data plates, test tags, seals, etc. shall be installed at the time of inspection. Operating equipment without proper certification is a violation of the VA USBC/VCC and VA USBC/VMC. Failure to abate a code violation of the VA USBC may be punished, upon conviction, by a fine of $2,500.

All Acceptance, Alteration and Periodic Inspections / Tests shall be performed in accordance with the requirements of the VA USBC/VCC and VA USBC/VMC, and the A17.1 code in affect at the time of installation / alteration as referenced in the VA USBC. Approved Acceptance / Alteration inspection and test reports shall be received by Henrico County before the equipment is put into service and/or a Certificate of Occupancy will be issued. All approved Periodic Inspection / Test reports shall be received by Henrico County on or before the last day of the inspection month. If the Inspection / Test reveal any code violations, they shall be corrected, re-tested, re-inspected and approved by the Inspector before the equipment is returned to service. All data plates, test tags, seals, etc. shall be installed at the time of inspection. Operating equipment without proper certification is a violation of the VA USBC/VCC and VA USBC/VMC. Failure to abate a code violation of the VA USBC may be punished, upon conviction, by a fine of $2,500.

March / September	**Periodic Inspection Due**

All Acceptance, Alteration and Periodic Inspections / Tests shall be performed in accordance with the requirements of the VA USBC/VCC and VA USBC/VMC, and the A17.1 code in affect at the time of installation / alteration as referenced in the VA USBC. Approved Acceptance / Alteration inspection and test reports shall be received by Henrico County before the equipment is put into service and/or a Certificate of Occupancy will be issued. All approved Periodic Inspection / Test reports shall be received by Henrico County on or before the last day of the inspection month. If the Inspection / Test reveal any code violations, they shall be corrected, re-tested, re-inspected and approved by the Inspector before the equipment is returned to service. All data plates, test tags, seals, etc. shall be installed at the time of inspection. Operating equipment without proper certification is a violation of the VA USBC/VCC and VA USBC/VMC. Failure to abate a code violation of the VA USBC may be punished, upon conviction, by a fine of $2,500.

March	**Category I, III and V Periodic Test Due**
March / September	**Periodic Inspection Due**

All Acceptance, Alteration and Periodic Inspections / Tests shall be performed in accordance with the requirements of the VA USBC/VCC and VA USBC/VMC, and the A17.1 code in affect at the time of installation / alteration as referenced in the VA USBC. Approved Acceptance / Alteration inspection and test reports shall be received by Henrico County before the equipment is put into service and/or a Certificate of Occupancy will be issued. All approved Periodic Inspection / Test reports shall be received by Henrico County on or before the last day of the inspection month. If the Inspection / Test reveal any code violations, they shall be corrected, re-tested, re-inspected and approved by the Inspector before the equipment is returned to service. All data plates, test tags, seals, etc. shall be installed at the time of inspection. Operating equipment without proper certification is a violation of the VA USBC/VCC and VA USBC/VMC. Failure to abate a code violation of the VA USBC may be punished, upon conviction, by a fine of $2,500.
