## **Henrico County Sheriff's Office**

**It is the mission of the Henrico County Sheriff's Office to protect and assist the citizens of this county by providing security for the jails and courts; rehabilitating inmates through vocational, mental health, education and work programs; executing mental health commitment orders and serving civil process documents.**

**This mission is achieved by providing professionally trained staff and state of the art technology to meet or exceed the standards set forth by the laws of the Commonwealth.**
