

NEIGHBORHOOD LEAF NOTICE

Our Department has received concerns regarding the leaf piles placed in the public right-of-way and streets in your neighborhood. The placement of leaves in these areas does not relieve the property owner/tenant of the responsibility for their removal.

The placement of leaves at the edge of the road or in a roadside ditch can restrict drainage, limit parking, impede traffic flow and detract from the attractiveness of your neighborhood. County ordinances also restrict the placement of leaves in these locations.

We are requesting that you remove the leaves from the public right-of-way or arrange for leaf disposal. If the leaves are not removed *by the end of the tenth day from the postmarked date*, County crews will vacuum the leaves and a thirty dollar (\$30.00) charge will be applied to your water/sewer bill.

***PLEASE DISREGARD THIS NOTICE IF:**

- ◆ A vacuum service order has already been placed
- ◆ There are no leaves in the street or public right-of-way in front of your property.
