Free Disposal

During the bagged-leaf season, you may bring leaves to the **Henrico County Public Use Areas** located at:

- 10600 Fords Country Ln. (804) 747-1865
- 2075 Charles City Rd. (804) 222-7739

Open Daily from 7:30 a.m. – 7:00 p.m (Closed on Thanksgiving Day, Christmas Eve, Christmas Day & New Years Day)

Leaf Recycling

Mulching & composting your leaves nourishes your lawn and garden. The Virginia Cooperative Extension Service recommends placing your leaves through a shredder or mower to create mulch and compost that is good for weed control and soil amendment. *For more information, contact the Henrico County Extension Service at (804) 501-5160 or at www.ext.vt.edu.*

Leaf Burning

Please note it is **illegal** to burn leaves in most areas of the County. *For more information, call the County's Fire Marshal's office at (804) 501-4900.*

Leaf Vacuum Services

Henrico County offers a leaf vacuuming services for $30 per order during the following times:

- Nov. 13, 2017 – Dec. 30, 2017
- Feb. 26, 2018 - March 30, 2018

To be eligible for vacuum services, the leaf piles:

- Must be accessible from the road in front of your Henrico property
- Must not contain trash, sticks or debris as this prevents the leaves from being recycled.

Once your leaves are placed by the road, please place your order online at **www.henrico.us/utilities** or call (804) 501-4275. For any questions regarding the leaf vacuum pickup, please call (804) 727-8257.

Please note that we work hard to collect vacuum leaf orders in a timely manner. We cannot guarantee an exact timeframe for collection due to the large volume of orders placed and weather conditions that complicate collection efforts. Your patience is greatly appreciated**!**
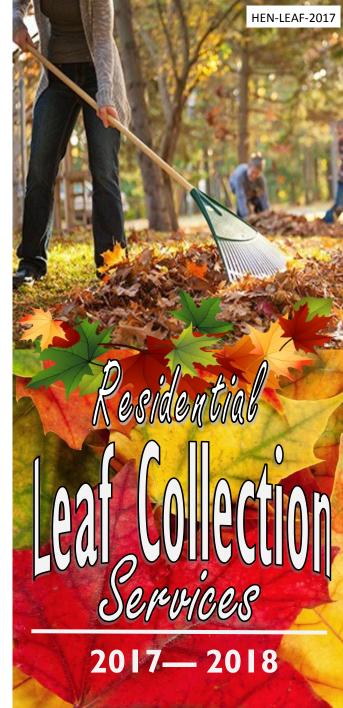

Prevent Pollution

We kindly ask that **you place your leaves in an accessible location in front of your property** in order to prevent the degradation of water quality, flooding, traffic hazards, and untidiness of your neighborhood. **Please do not block traffic lanes, parking, roadside gutter pans, or drainage ditches.** County ordinances restrict the placement of leaves in these locations, as leaves can obstruct stormwater drainage, leading to degraded water quality and flooding. Leaves in our streams and waterways contribute to stormwater pollution, as they often contain dirt, debris, and pet waste. Please help keep your neighborhood neat and attractive by properly placing your bagged and loose leaves and promptly calling for leaf vacuum service.

Residential Leaf Collection Services
