AGREEMENT IN LIEU OF A STORMWATER MANAGEMENT PLAN
FOR CONSTRUCTION ON A SINGLE-FAMILY RESIDENTIAL LOT

In lieu of submission of a stormwater management plan for the construction on this single-family residential lot, I agree to comply with the requirements outlined in this Agreement and as determined necessary by employees of Henrico County, representing the Administrator. Such requirements shall represent the minimum practices necessary to ensure compliance with Sec. 10-35 of the Code of the County of Henrico for construction on a single-family residential lot.

As a minimum, I agree to 1) discharge runoff from all roof surfaces to lawn or wooded areas on the lot in a non-erosive manner and 2) not create concentrated points of runoff leaving the lot.

I understand that failure to comply with such requirements as specified this Agreement or by the employees of Henrico County will result in the issuance of a Notice to Comply. I fully understand that failure to correct the deficiencies identified in the Notice to Comply will result in the issuance of a Stop Work Order for all construction activities. I understand that all deficiencies associated with a Stop Work Order must be fully addressed before building inspections for the property can resume.

I further understand that noncompliance may result in revocation of this "Agreement in Lieu of a Stormwater Management Plan" and the requirement of a stormwater management plan in accordance with Sec. 10-35 of the Code of the County of Henrico, including the posting of a bond in accordance with Sec. 10-46 of the Code of the County of Henrico.
