Keep Henrico Beautiful

Tree Planting and Maintenance

Sat., Sep. 3, 11 AM
at Varina Library

Sat., Sep. 3, 2 PM
at Tuckahoe Library

Certified arborist Kate Tuttle will discuss how to choose and plant trees appropriate to your natural surroundings, and give tips for tree health, safety, and preservation. 60 min.

Bats Among Us

Sat., Oct. 29, 11 AM
at Libbie Mill Library

Learn fascinating facts about bats living in Central Virginia. Find out which species may be visiting your backyard, the challenges they face, and how we can best support them. Susan Watson, Wildlife Information Biologist at the Virginia Department of Wildlife Resources, will present and take questions. 60 min.

Native Plants for Backyard Habitats

Sat., Nov. 5, 2 PM
at Fairfield Library

Thu., Nov. 10, 3 PM
at Gayton Library

Take steps to transform your yard into a habitat attractive to wildlife using plants native to our region. Native Habitat Landscaper, Beth Farmer, will cover a selection of plants and describe the conditions where they grow best. 60 min.
