### Henrico Police Investigate Fatal Crash; Reminding Everyone to Buckle-Up

#### Update #1

**(Henrico County, Va.)** – On Thursday, January 5, 2023, the Emergency Communications Center received an emergency call just after 2:30 a.m. for a single-vehicle crash along the 5700 block of Audubon Drive. The Henrico Division of Fire and the Henrico County Police Division responded to the scene. The single vehicle was occupied by two adults, an adult male driver, and a female passenger. The adult male was transported to an area hospital with critical injuries, while the adult female succumbed to her injuries on the scene.

**Rebecca Anne Smith, 28**, of Henrico County, was identified as the female passenger of the 2005 Ford Crown Victoria involved in the crash. Our thoughts are with the family and friends of Ms. Smith, and everyone involved during this tragic incident.

Detectives from the Henrico County Crash team responded to the scene to investigate. While they are in the early stages of their investigation, speed and no seat belts are believed to be factors in the crash. Detectives will continue to work closely with the State's Office of the Chief Medical Examiner and the Henrico County Commonwealth's Attorney's Office throughout this thorough investigation.

Henrico Police remind drivers to obey speed limits, drive sober, and avoid distracted driving. All occupants are reminded to buckle up before traveling anywhere. We want everyone to arrive safely. Whether you are a pedestrian, driver, or bicyclist, we all have a role to play in keeping our roadways safe for everyone. For more tips, visit [Watch your Step](#).

On July 29, 2022, Chief of Police Eric D. English signed an agreement with Army PaYS to take part in the initiative.

Per Army PaYS, the program is designed to help Soldiers prepare for a career after the Army by connecting them with employers who understand the skills, discipline, and work ethic that military service members bring to a business. ### Juvenile Taken into Custody with Firearm on School Campus

(Henrico County, Va.) – On Friday, January 20, 2023, just before 11:00 a.m., a Henrico Police School Resource Officer (SRO) was onsite at Holman Middle School, located at 600 Concourse Boulevard when he was alerted by school administration of a weapon on school grounds.

Both the administrator and officer responded to investigate the anonymous tip submitted to Henrico County School (HCPS) personnel as they were also working to take the juvenile into custody. Our partners with the Division of Fire responded to medically clear the juvenile and officer out of precaution. There were no reported injuries.

The juvenile, whose identity is not being provided due to his age was transported and admitted to the Henrico County Juvenile Detention Home on violations of:

- Possession of a firearm on school property,
- Possession of a concealed firearm, and
- Underage possession of a firearm.

“The safety of our students, faculty, and first responders are paramount,” said **Henrico Police Lieutenant Matt Pecka**. We are appreciative of the partnership between the Police Division, HCPS, and our community for understanding the necessary need for responses like today to ensure the safety of all. We further commend those who come forward and report incidents like today to authorities whether in person or through tip lines in place to remain anonymous.”

**(Henrico County, Va.)** – A Henrico County man faces charges, including involuntary manslaughter, in connection to a crash which occurred in January.

On Sunday, January 1, 2023, at approximately 6:33 p.m., Henrico Police responded to the intersection of Glenside Drive and Arcadia Street for a reported two-vehicle crash. Once on scene, officers spoke with a witness who stated a BMW 535i was traveling north on Glenside Drive when it collided with a Toyota Corolla.

### Henrico Police Animal Shelter to Temporarily Close; Uptick in Infections

(Henrico County, Va.) – Out of an abundance of caution, the Henrico Police Animal Shelter will be temporarily closed to the public for the time being.

The shelter has seen a rise in infections among its animals which could potentially lead to canine influenza. As a result, testing and quarantine is underway to ensure all our animals remain as safe and healthy as possible.

During this time, the Henrico Police Animal Protection Unit will NOT be able to pick up stray dogs, due to limits on what kind of cases may be brought in during this time period – bites/cruelty cases only. If you happen to find a stray dog, we respectfully ask you try to find the owner or, on a limited basis, we can provide a crate and food until our shelter's quarantine is over. We will not be able to accommodate surrenders at this time either.

We are currently in the process of canceling all appointments at the shelter. If you had one canceled, we will call you back to reschedule an appointment for a visit and/or adoption when the quarantine is lifted.

While we treat and care for the animals under our care, the HCPD Animal Protection Unit would like to remind pet owners to make sure all animal vaccinations are current. Please contact your veterinarian if they exhibit any signs of canine influenza.

We will update you all as soon as possible when the shelter will reopen.

## Henrico Police Animal Shelter Reopens

### Update 1:

**(Henrico County, Va.)** – The Henrico Police Animal Shelter is back open following a week-long closure.

During this time, animals were tested for canine influenza after several were found to have respiratory infections. Thankfully, test results have come back negative.

Those animals which are experiencing infections are quarantined for care until they are better.

As of Friday, all operations within the Henrico Police Animal Shelter have returned to normal. The shelter is open Monday-Saturday from 10 a.m. to 4:30 p.m. **by appointment only**. To schedule an appointment for the release, redemption or adoption of an animal, please contact the shelter at (804) 727-8807. Animals available for adoption can be viewed online at [petfinder.com](https://www.petfinder.com) or [adoptapet.com](https://www.adoptapet.com).

We thank the public and our rescue shelter partners for their patience as we conducted this temporary closure for the safety of all our animals within the shelter.

---

---

**(Henrico County, Va.)** – Out of an abundance of caution, the Henrico Police Animal Shelter will be temporarily closed to the public for the time being.

The shelter has seen a rise in infections among its animals which could potentially lead to canine influenza. As a result, testing and quarantine is underway to ensure all our animals remain as safe and healthy as possible.

During this time, the Henrico Police Animal Protection Unit will NOT be able to pick up stray dogs, due to limits on what kind of cases may be brought in during this time period – bites/cruelty cases only. If you happen to find a stray dog, we respectfully ask you try to find the owner or, on a limited basis, we can provide a crate and food until our shelter's quarantine is over. We will not be able to accommodate surrenders at this time either.

We are currently in the process of canceling all appointments at the shelter. If you had one canceled, we will call you back to reschedule an appointment for a visit and/or adoption when the quarantine is lifted.

### Henrico County Joint Statement Regarding Aug. 12 Incident

**(Henrico County, Va.)** – Over the last week Henrico Police along with multiple agencies within Henrico County have heard concerns from our community members about Saturday morning’s escaped inmate incident from St. Mary’s Hospital. We recognize the concerns everyone has brought forth regarding when the reverse 911 was issued and the ongoing search for the inmate by Virginia State Police, the Virginia Department of Corrections and U.S. Marshals Office.

On Saturday, August 12, at approximately 5:47 a.m., Henrico Police responded to the 5800 block of Bremono Road for a reported suspicious situation. Once on scene, officers were made aware of a Virginia Department of Corrections (VDOC) inmate who had escaped from the location. In an assisting role to the VDOC, more than 40 units within the Henrico County Police Division (HCPD) were dispatched to the area and immediately began searching for the state inmate, identified as Naseem Roulack.

Henrico Police requested that Richmond Police be notified about this incident. The Henrico County Department of Emergency Communications (DEC) called the Richmond Department of Emergency Communications at 6:05 a.m. for notification.

A perimeter for a search was created in the immediate area around the hospital. As patrols continued their search, information was received about a possible sighting, however no description of the individual was available. During this time, multiple other resources were requested within the County, and to surrounding jurisdictions, to respond to the location, including a tracking canine, and air support.

At approximately 8:10 a.m., Henrico Police made a request for a reverse 911. There was reason to believe at that time Mr. Roulack may have still been in a neighborhood nearby. The Henrico County Office of Emergency Management was contacted and started the process for a reverse 911 across a three-mile radius from the incident location. That alert was pushed out at 8:37 a.m. to residents and businesses within the geographical area.

When an alert is sent as an emergency, as this one was, people will get the alert regardless of signing up for anything unless they have turned emergency alerts off on their phone. People can also sign up to receive the alerts as well as more routine communications on the Everbridge app. More information about Henrico County’s Alert System can be [found here](#).

On Monday, October 30, 2023, at approximately 1:20 p.m., Henrico Police responded to the 2200 block of Mountain Road for a reported breaking and entering. Once on scene, officers spoke with the complainant who stated three men kicked in the back door to the temple, before fleeing the property. Nothing was reported as stolen during this incident. Meanwhile, at approximately 6:38 p.m. that same day (10/30), Henrico Police responded to the 2400 block of Old Hanover Road for a reported breaking and entering. Unfortunately, break-ins at Buddhist temples are trending across the United States. The Henrico County Police Division has met with officials within the temples to provide tips on how to best prevent these types of incidents. Those safety tips include:

- Walk around your home/business/place of worship and look for any weaknesses. These could include unlocked windows or doors, poor lighting, overgrown shrubbery providing hiding spots, and so forth.
  - Make sure all doors and windows are secured when the building is not in active use.
- Invest in a camera system, and make sure it is turned on and functioning properly and captures all areas around your home/business/place of worship as well as activity in the street in front of the property.
- Do not leave large amounts of cash, jewelry, or anything of great value in your home/business/place of worship unsecured.
  - For best safety practices, refrain from keeping any cash within a place of worship.
- Be vigilant, look for and report any suspicious activity.

## Henrico Police Conducts Domestic Violence Offender Roundup

**(Henrico County, Va.)** – During the month of October, the Henrico County Police Division focused its efforts on rounding up offenders who have active warrants tied to domestic violence.

Domestic violence affects everyone – family, friends, co-workers and others in the community. Henrico Police continues to raise awareness about this nationwide issue not only in October, which is Domestic Violence Awareness month, but year-round.

During a multi-day operation, Henrico Police arrested 12 individuals who were wanted on outstanding domestic violence-related warrants. Nineteen total warrants were served which included:

- Strangulation
- Domestic Assault
- Violation of a Protective Order

Among the warrants served, the oldest was from May 2022.

“While the Henrico County Police Division actively works to take wanted individuals into custody year-round, this specific roundup rendered positive results,” said **Henrico County Police Division spokesperson Lt. Amy Kelley**. “Patrol officers and specialized units within the Division located several offenders and gathered further intelligence on other wanted violent domestic offenders.”

Currently, Henrico Police asks any community members with active warrants tied to domestic violence, to turn themselves in. If you know of someone with an active warrant, please contact Crime Stoppers at (804) 780-1000.

Knowing the signs of abuse is vital to mitigate domestic violence in Henrico County. Some of those signs include:

- Possessiveness
- Verbal abuse
- Forced sex or disregard of their partner’s unwillingness to have sex
- Control of another person – what they wear, their finances, interactions with others, etc.

### Arrest of Human Trafficker Leads to 18 Year Prison Sentence

**(Henrico County, Va.)** – Due to efforts by Henrico Police VICE detectives, in collaboration with the Henrico County Commonwealth’s Attorney’s Office, a North Carolina man will spend 18 years in prison for human trafficking.

On Wednesday, December 13, 2023, **Demontray Shadrell Bowman, 41**, was sentenced to 58 years in prison, with 40 years suspended.

Originally, Mr. Bowman was charged with 32 separate offenses but ultimately pleaded guilty to four counts of Commercial Sex Trafficking and four counts of Pandering.

“This guilty plea was the result of exhaustive work by VICE detectives and Assistant Commonwealth’s Attorney Terrica Taylor, who poured through over 100,000 digital images, positively identified multiple victims of Bowman and secured the cooperation of several witnesses to testify against Mr. Bowman,” said **a Sergeant who oversees the VICE unit**. Due to this line of work, we have refrained from identifying the sergeant.

This case stems from a March 2022 call for service in the 5300 block of Airport Square Lane where an adult woman contacted Henrico Police out of concern for her safety. The nearly two-year investigation shows Mr. Bowman had a widespread human trafficking operation stretching along the East Coast, from New York to Florida, stopping in most major cities along the I-95 corridor.

The Henrico County Police Division is committed to apprehending offenders who target individuals for sex and capital gain. The Division will continue to collaborate with the Commonwealth’s Attorney’s Office to ensure these offenders are taken off the street and the survivors of these crimes get the resources they need.

If you know of someone in need of support, please call Safe Harbor at (804) 612-6126.

### Henrico Man Sentenced to Life + 60 Years in Prison for Forcible Sodomy

**(Henrico County, Va.)** – A Henrico County man will spend life in prison after pleading guilty to charges of forcible sodomy.

On Thursday, December 14, 2023, **Scott Buchanon Fitzhugh, 65, of Glen Allen**, was sentenced to Life plus 60 years in prison. In May 2023, a Henrico County Grand Jury indicted Mr. Fitzhugh on three counts of forcible sodomy.

This outcome was the result of a multi-agency effort to include the Henrico County Police Division, Henrico County Mental Health & Developmental Services, the Henrico County Commonwealth's Attorney's Office, the FBI Child Exploitation Task Force and state resources.

This case stems from a December 2022 call to Henrico Police from an area non-profit which reported concerns that had been disclosed to them about sexual actions Mr. Fitzhugh had taken with children. The Henrico County Police Division's Special Victims Unit was contacted and immediately started an investigation into this incident.

"Cases involving children are always difficult to comprehend and emotionally demanding to all involved," said **Henrico Police Detective L. Coover**. "A vast amount of evidence was collected in this case to include hundreds of images of child sexual abuse material that was in Mr. Fitzhugh's possession. The collaborative work by multiple agencies on this case shows the determination we have to ensuring all Henrico County residents, regardless of age, remain safe wherever they may be."

"We are grateful for the local, state, and federal partnerships we have, and we could not have put on such an airtight case without each member of the team working so well together," said **Henrico County Assistant Commonwealth's Attorney Alison Linas**. "Thanks to everyone's hard work, a very very bad man will never again walk free to harm children."

If you have concerns or information about child abuse occurring in your neighborhood, please contact the 24/7 Virginia Child Protective Services hotline at 1 (800) 552-7096.
