Henrico County Police
Youth Police Academy
Application Package

Goal and Mission Statement

The primary objective of the Youth Police Academy is to educate and inform youth participants about the many aspects of police work. The academy is designed to give the participants exposure to various police situations, and to explain how and why officers respond to and handle different situations. This will be accomplished through both classroom instruction and practical exercises that will allow them to assume the role of an officer and be evaluated on how they handle different situations. In addition, they will be exposed to the adult and juvenile criminal courts.

The academy will give the participants the opportunity to see the benefits of public service and learn about challenges and demands associated with Law Enforcement as a profession. Participants will learn about special units and what their responsibilities are, and how they work together with the patrol officers.

The ultimate goal of the Youth Leadership Academy is to improve the relationships between law enforcement and youth, while exposing them to a possible future career in law enforcement. Due to a limited number of spots please return this application as soon as it is completed to Officer Durette either in person (if you attend Tucker High), to your school resource officer assigned to your school or email to dur025@henrico.us. Please note that attendance each day, ALL day is MANDATORY for each participant. Lunch will be provided each day as well so please no outside food or drinks so that we may avoid any allergens.

Our academy will be held starting on Monday, July 22nd, 2024. It will conclude with a graduation ceremony and lunch on Friday, July 26th, 2024. Each day will begin promptly at 8:30 AM and conclude at 4PM.
