Creating a Submission (Plan of Development or Subdivision):

1. Go to www.build.henrico.us and log in with your email address and password.
2. On the home screen, click Land Development Applications.

3. Choose which type of submission you would like (Subdivision or Plan of Development).

NOTE: If you are submitting for a development that includes both a POD and SUB: Submit POD first, then the SUB. This will allow you to associate the SUB with the POD

Apply for a Land Development Approval

Select the Application Type from the Menu Categories shown below. For assistance on selecting the correct Application Type, please contact the respective agency as outlined below:

- For Subdivision, Plan of Development, Land Use Approvals, Board of Zoning Appeals, and Administrative Approvals contact the Planning Department at 804-501-4602
- For any construction plan activities or Temporary Use Permit (TUP) related to a Plan of Development/Site Plan/Subdivision utilize the Plan of Development/Site or Subdivision menu categories.
- For DPU related Construction Activities and Public Utilities Review contact the Department of Public Utilities at 804-501-4275
- For DPW related Construction Activities, CIP, Floodplain, Hauling Permits, and Real Property related reviews contact the Department of Public Works at 804-501-4393

NOTE: The screenshots throughout may reference Plan of Development applications, however, the screens are identical to Subdivisions

Additionally – The fields outlined in this guide may not be required by the system in order to submit an application; they are, however, required by Planning and may hold up your application if not all fields are filled out appropriately.

4. Select and/or fill in all required information (Application Type Description, Application Type, Scope of Work, and Description of Activity). For scope of activity either select **New** or **Reconsideration** unless otherwise instructed by Planning Staff. If only one option is available, Build Henrico will automatically update the scope.

6. Once you submit, you will receive a confirmation screen.

When and how to Resubmit Plans:

1. Plans on an agenda which require Director's or Planning Commission approval OR other plans which require an approval letter (Site Plan without Notice or Final Plats) should not be resubmitted for construction plan review until the approval is granted unless resubmission is necessary to obtain approval.
2. If plans do not need a prior approval letter (e.g. Minor Site Plan), resubmission can occur at any time.

For resubmission of a different Application Type (construction plan, plat check, landscape plan, etc.), a new Job will need to be created, associating it with the original project.

1. If the submission is part of an existing project/development, on the first screen of the application wizard, you should search for the project to associate it with.
2. In order to associate the new submission with the appropriate job, you will need to search for the appropriate case number or name and click okay.
