

PROJECT DESCRIPTION

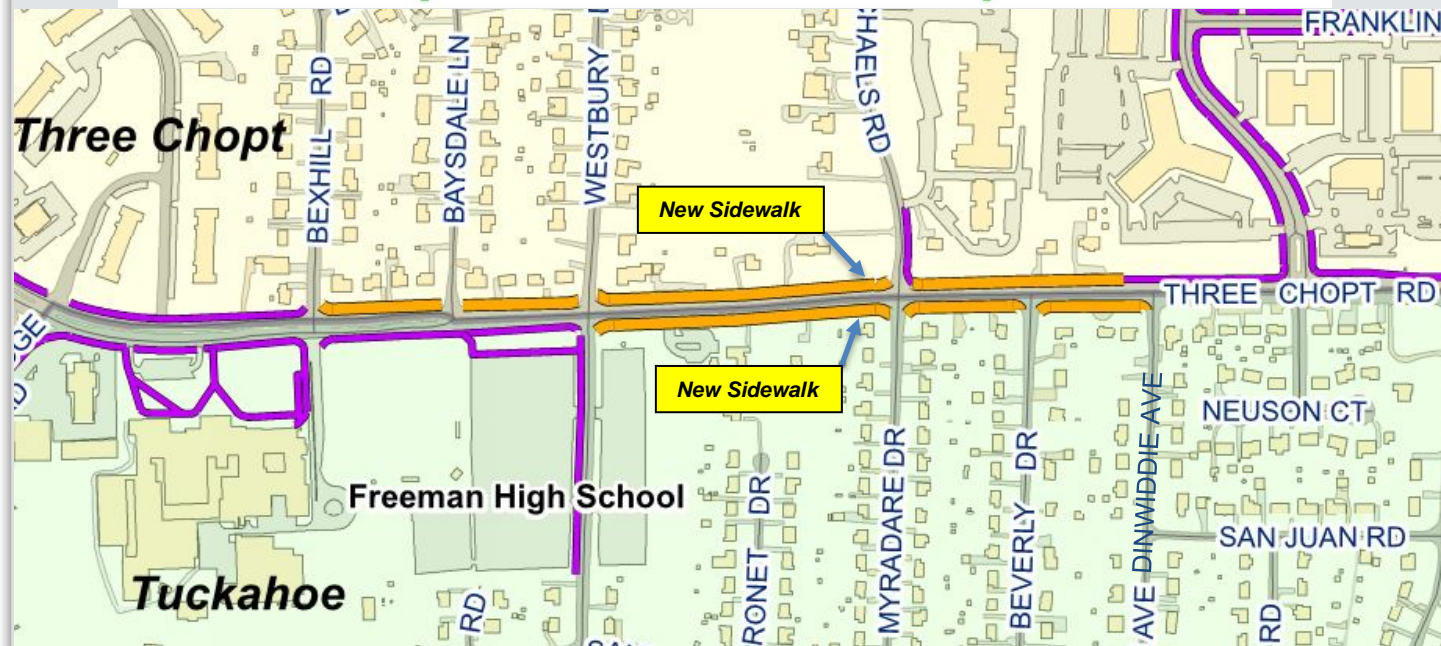

The Three Chopt Road Sidewalk project will infill sidewalk to provide pedestrian connectivity along this major collector road adjacent to Freeman High School, improving safety, convenience, and accessibility for pedestrians.

Improvements will be incorporated into the pedestrian signalization at the intersection with Camden Drive/Westbury Drive.

A total of approximately 2,100 feet of 5-foot wide sidewalk with ADA ramps on the north side of Three Chopt Road from the intersection of Bexhill Road to the existing sidewalk just west of Dinwiddie Avenue and 1,450 feet of 5-foot wide-sidewalk with ADA ramps on the south side from the intersection of Camden Drive to the intersection of Dinwiddie Avenue.

Three Chopt Road Sidewalk Improvements

Estimated Project Cost

Total Cost:	\$ 2,165,000
Preliminary Engineering:	\$ 265,000
Right of Way/Utilities:	\$ 100,000
Construction:	\$ 1,800,000

These estimated costs are subject to change.

This project will be funded with the federal-aid Regional Surface Transportation Program (RSTP) funds.

Environmental Review

The County has hired Clark Nexsen to review the social, economic and environmental impacts of the project on the local community and the surrounding area. The project is being coordinated with the appropriate federal, state, and local agencies. As a result of this review, a determination will be made concerning the construction impacts of the project. We anticipate this will result in a finding of no significant impact.

During construction, all reasonable efforts will be made to protect the environment with respect to dust control, siltation and erosion. Construction will conform to Henrico County specifications and special provisions and the Virginia Department of Soil and Water Conservation regulations.

Anticipated Schedule

- Begin ROW Acquisition:** April 2021
- Advertisement:** October 2022
- Begin Construction:** February 2023
- Project Completion:** December 2023

Civil Rights

Representatives from the County are present to discuss the project and answer your questions. It is the responsibility of the County to ensure that all members of the community are afforded the opportunity to provide comments and participate in public decisions on transportation projects affecting them. The County ensures nondiscrimination in all programs and activities in accordance with Title VI of the Civil Rights Act of 1964.

Right of Way

Displays at this meeting show the extent of right-of-way that may be needed as the project is currently proposed. As the design is further developed, additional easements and right-of-way may be required beyond what is shown on the preliminary plans. Property owners will be informed of the exact location of any needed easements and/or right-of-way during the acquisition process and prior to construction.

Get Involved

The public comment period will close on August 26, 2020, following this citizen information meeting. County representatives will review and evaluate any information received as a result of the citizen information meeting.

Right-of-way and easement acquisition is expected to begin in early 2021 and construction is anticipated to begin in early 2023.
