

PROJECT DESCRIPTION

The Hungary Road Sidewalk project will infill sidewalk to provide pedestrian connectivity along this urban minor arterial roadway improving safety, convenience, and accessibility for pedestrians.

A total of approximately 390 feet of 4-foot and 5-foot sidewalk with ADA ramps will be constructed on the north side of Hungary Road between Hastings Way Drive and Big Tree Lane and approximately 3,400 feet of 4-foot and 5-foot sidewalk with ADA ramps will be constructed from Mountain Cove Court to Hungary Spring Road.

Pedestrian signals and crosswalks will be incorporated into the existing traffic signalization at the intersections with Staples Mill Road and Hungary Spring Road.

Project Graphic

Estimated Project Cost

Total Cost:	\$ 1,854,000
Preliminary Engineering:	\$ 414,000
Right of Way/Utilities:	\$ 100,000
Construction:	\$ 1,340,000

These estimated costs are subject to change.

This project will be funded with State Revenue Sharing funds and Local Funds.

Environmental Review

The County has hired AMT Engineering to review the social, economic and environmental impacts of the project on the local community and the surrounding area. The project is being coordinated with the appropriate federal, state, and local agencies. As a result of this review, a determination will be made concerning the construction impacts of the project. We anticipate this will result in a finding of no significant impact.

During construction, all reasonable efforts will be made to protect the environment with respect to dust control, siltation and erosion. Construction will conform to Henrico County specifications and special provisions and the Virginia Department of Soil and Water Conservation regulations.

Anticipated Schedule

- Begin ROW/Easement Acquisition:** October 2020
- Advertisement:** September 2022
- Begin Construction:** January 2023
- Project Completion:** January 2024

Civil Rights

Representatives from the County are present to discuss the project and answer your questions. It is the responsibility of the County to ensure that all members of the community are afforded the opportunity to provide comments and participate in public decisions on transportation projects affecting them. The County ensures nondiscrimination in all programs and activities in accordance with Title VI of the Civil Rights Act of 1964.

Right of Way

Displays at this meeting show the extent of right-of-way that may be needed as the project is currently proposed. As the design is further developed, additional easements and right-of-way may be required beyond what is shown on the preliminary plans. Property owners will be informed of the exact location of any needed easements and/or right-of-way during the acquisition process and prior to construction.

Get Involved

The public comment period will close on September 4, 2020, following this citizen information meeting. County representatives will review and evaluate any information received as a result of the citizen information meeting.

Right-of-way and easement acquisition is expected to begin in late 2020 and construction is anticipated to begin in early 2023.

Project information shared here will be available for review after the citizen information meeting at <https://henrico.us/project/hungary-sw/> online.

Comments can also be submitted in writing through e-mail to Steve Bandura (ban03@henrico.us); online survey link at <https://henrico.us/projects/hungary-sw/> or USPS mail to the contact address below. Information must be postmarked, emailed, or delivered to the County of Henrico by September 4, 2020 in order to be included in the Citizen Information Meeting record.

Citizen Information Meeting Hungary Road Sidewalk

Wednesday, August 19, 2020, 5:00 p.m. - 6:00 p.m.
Glen Allen Library
10501 Staples Mill Road Glen Allen, VA 23060

Public Meeting

Welcome to the County of Henrico Department of Public Works citizen information meeting for the Hungary Road Sidewalk project.

This meeting is being held to give citizens and organizations an opportunity to comment on the proposed project. The County strives to ensure that all members of the community have the opportunity to provide feedback and participate in public decisions on transportation projects affecting them.

A comment sheet is included in the handout for this meeting and your input is encouraged. All comments received on this project will be reviewed and responded to in writing.

Project Overview

Existing Hungary Road future sidewalk location.

Anticipated Cost: Approximately \$1,800,000

Purpose: – To provide improved pedestrian access

From: Hardings Way Drive

To: Hungary Spring Road

Total length of sidewalk: 0.72 miles

Improvements: Incorporate new sidewalk and ADA compliant curb ramps on the north side of Hungary Road and pedestrian signal improvements at the intersections with Staples Mill Road and Hungary Spring Road.
