A request for design assistance is hereby submitted for the property identified above. If approved, document preparation will include: a concept plan (elevations), a site plan, and a preliminary construction cost-estimate. By signing this application and submitting it to the County, I certify and expressly agree that:

1. Design Assistance renderings are not construction drawings, but are conceptual and are not to be used to obtain construction bids. The purpose of these drawings is solely to provide assistance related to conceptual design and to provide a preliminary estimate of the related costs.
2. It is the property owner's responsibility to obtain detailed construction drawings in order to get an accurate construction cost and bid the work.
3. Any decision by the property owner to use these drawings related to the bidding of work or other purposes is solely at the discretion of and the responsibility of the property owner.
4. By providing this conceptual design assistance, the County has not approved any plans for compliance with zoning and other ordinances and requirements of the County.
5. Your participation in the Enterprise Zone Grant Program may be contingent upon acquiring a building permit and a jobs agreement approved and signed by the County Manager.
