# Checklist of Polling Place Operations

Election Day General Reminders
--------------------------------

**\*\*\*Voters are allowed to take sample ballots, guides, and campaign materials with them into a voting booth!\*\*\***

**\*\*\*Section 24.2-604(D) allows a person who approaches or enters the polling place for the purpose of voting to wear a shirt, hat, or other apparel, or a sticker or button attached to their apparel, on which a candidate's name or a political slogan appears. This permission does not apply to candidates, representatives of candidates and any other person who enters the polling place for a purpose other than voting.\*\*\***

1. Arrive at assigned polling place on Election Day at the instructed time.
2. Do not leave the working precinct on Election Day unless directed to by a member of the electoral board (§ 24.2-115.1).
3. An officer who is registered to vote in the precinct in which they are working may vote there on Election Day. Otherwise, the officer is eligible and encouraged to vote absentee by the applicable deadline.
4. Voting comes first! Limit conversations with voters and friends.
5. Non-voters, including family and friends, should not be visiting the polling place.
6. Continuously observe the polling area.
7. Do not eat at the pollbook desk, near any voting equipment, or directly in front of voters.
8. Strictly adhere to the required 6:00 a.m. opening and 7:00 p.m. closing times.
9. Voters inside the polling place at 7:00 p.m. must be allowed to vote.
10. Check and sign both copies of the statement of results.

## Chief Election Officer

### Chief – Before the Polling Place Opens

**Arrive at the polling place as instructed.**

#### **Welcome authorized representatives (reps)**

- Ask each rep for proof or confirmation of identity and voter registration status.
  - If the rep has a voter registration card or confirmation document, the card is sufficient proof of both identification and voter registration status.
  - If possible, use the pollbook to determine registration status.
  - If the pollbook does not display the name of the rep, contact the general registrar to verify registration status.
- Ask each rep for their required entry statement.
  - The steps above in no way remove the requirement that the rep must provide a written statement designating the individual as a representative.
  - The statement presented may be a written statement or a photocopy of a written statement.
  - The statement must be signed by either the local political party chairman or by a local independent/third party candidate (e.g. Libertarian Party of Virginia, Green Party of Virginia, or Independent Green Party of Virginia). If the local party chairman does not designate party representatives, the state or district political party chairman may do so.
- See *Dos and Don'ts for Campaigners and Authorized Representatives*

#### **Swear in your fellow officers of election**

- Administer the officer of election oath and have each sign the form.
- Sign and complete the *Officer of Election Oath* form at bottom.
- Place *Officer of Election Oath* form in envelope #2.
- Retrieve and complete as needed if the polling place employs split shift officers of election.

#### **Emergency Procedures**

- Review emergency procedures with all officers:
  - Evacuation route and location of exits

- Evacuation assignments
- Designate a safe location to meet and wait outside the building
- Designate a precinct official to contact the electoral board

**Verify election supplies**

- Check supplies, forms and materials against supply list.

**Set up polling room**

- Arrange tables and chairs for best flow of traffic.
- Place voting equipment and booths at least 4 feet away from the tables.
- Set up Electronic Pollbook (EPB) laptop(s) per your locality’s EPB procedures.  
or
- Place the pollbook and pollbook count sheet(s) side-by-side. Replicate practice with each alpha split of the pollbook.

**Supervise the setting up of both the voting equipment and EPBs**

- Immediately report unsealed equipment to the general registrar.
- Enter or confirm serial, seal, private (or “protective”) counter and public counter numbers for each piece of voting equipment.

Each officer must examine the equipment or tape to see that no vote has been cast and the counters register zero; any rep present may also examine but not touch the equipment or tape.

- Chief and assistant chief, or designated officers, print and sign zero tape(s).
- Set up EPBs per your locality’s EPB procedures.
- Voting equipment and EPBs must be operational by 6:00 a.m.
- Ensure an adequate supply of ELECT-653 LOG – Precinct Provisional Ballots Log forms are easily accessible to the pollbook table in case the precinct must transition from sporadic to full-time provisional voting (e.g. EPB fails and no alternative voter list or pollbook is available or court orders an extension to voting hours).

**Verify paper and/or optical scan ballots**

- Confirm that ballots are for your precinct and match your sample ballot(s).
- Ballots will list the precinct name in the top left corner heading.

- Confirm that number of ballots on hand equals the number of ballots provided by the electoral board refer to the Ballot Officers Report.

### **Emergency ballot box**

- Ensure emergency ballot box is available, emptied, and locked.
- Position the box in an obvious but secure location.

### **Verify final absentee ballot report (AB List)**

- Do not post AB List. Make it available for public inspection (by any person) upon request

### **Post signs inside and outside the polling place**

Section 24.2-310(E) gives the local electoral board flexibility in the designation of the 40-foot prohibited area if an entrance to the building is from an adjoining building, or if establishing the prohibited area outside the polling place would hinder or delay a qualified voter from entering or leaving the building.

- Set up “Polling Place” and “Vote Here” signs at most visible sites.
- Post “Prohibited Area” sign visible at 40-foot line from each polling place entrance or in the area designated by the electoral board (see above).
- Post “Disabled Parking/Entrance” signs as needed.

### **Post signs inside the polling place**

- Post the “Sample Ballot”.
- Post alphabetical division signs, if applicable.
- Post “Voter Rights and Responsibilities” poster.
- Post “Attention All Voters” ID sign.
- Post “Explanation of Political Party Abbreviations” sign, if applicable.
- Post other signs as directed.
- Place “Virginia Voters’ Election Day Complaint Form” where they are easily accessible.
  - Reminder: For accessibility, post signs at eye level for all voters. For signs with a large amount of text or small print (e.g., the “Voter Rights and Responsibilities” poster), you may want to place a magnifier near the sign if available.

**Read 1VAC20-60-40 “When ballot cast” regulation aloud to all the officers of election and authorized representatives present. If a part of the regulation is not applicable in the polling place based on the type of voting method/voting equipment in use, the chief may skip reading the irrelevant section of the regulation. The full regulation is included below for your convenience.**

**1VAC20-60-40. When ballot cast.**

- A. A voter, voting in person on election day or voting absentee in-person, has not voted until a permanent record of the voter’s intent is preserved.
- B. A permanent record is preserved by a voter pressing the vote or cast button on a direct recording electronic machine, inserting an optical scan ballot into an electronic counter, or placing a paper ballot in an official ballot counter.
- C. A vote has not been cast by the voter unless and until the voter or an officer of election or assistant at the direction of and on behalf of the voter pursuant to § 24.2-649 of the Code of Virginia completes these actions to preserve a permanent record of the vote.
- D. If any voter’s ballot was not so cast by or at the direction of the voter, then the ballot cannot be cast by any officer of election or other person present. Notwithstanding the previous sentence, if a voter inserts a ballot into an optical scanner and departs prior to the ballot being returned by the scanner due to an undervote or overvote, the officer of election may cast the ballot for the absent voter.
- E. An absentee voter who votes other than in person shall be deemed to have cast his ballot at the moment he personally delivers the ballot to the general registrar or electoral board or relinquishes control over the ballot to the United States Postal Service or other authorized carrier for returning the ballot as required by law.

Statutory Authority: §§ 24.2-103 and 24.2-663 of the Code of Virginia.

**Open the polling place**

- **Verify the correct time. Polls open at exactly 6:00 a.m.**

**Welcome authorized representatives (reps)**

- Welcome reps on arrival; check written authorization and verify registration status. Refer to pages 2 and 3 within this Election Day Guide for verification procedures and to the Do’s and Don’ts for Campaigners and Authorized Representatives.

Chief – While the Polling Place is Open

**\*\*\*KEEP THE LINES MOVING!!!\*\*\***

**Number of ballots cast**

- Periodically verify that the total number of voters from all EPBs is the same as the total number from the public counter on each voting unit plus any paper ballots cast. Continue this process, hourly on the hourly reconciliation form.  
\*\*\*Remember to account for the number of voided optical scan ballots.
- **Verify the correct time. At 6:45 p.m., announce outside the polling place entrance loudly and clearly, “This polling place will close in 15 minutes.”**

### **Number of provisional votes cast during election day**

Each polling place is required to report its total number of provisional ballots cast during Election Day after it closes. The provisional ballots are broken into three groups: 1) non-registered provisional, 2) no ID provisional, and 3) other provisional.

- 1) A provisional voter is considered a “**non-registered**” voter after confirmation is given by the general registrar’s office that the voter is not registered but is given permission to vote a provisional ballot anyway. A voter is also considered non-registered if their name does not appear upon the pollbook and the general registrar cannot be reached for confirmation. The log for these voters must be marked on the provisional ballot log with reason code 1 or 2.
- 2) A provisional voter is a “**no ID**” voter if they have not shown the pollbook officer one of the acceptable forms of ID or ID statement. The no ID category applies **EVEN** if a combination of provisional reason codes 1 - 6 are also marked on the provisional ballot log.
- 3) A provisional voter is an “**other**” voter as long as the ID reason code is unmarked on the provisional ballot log. The main categories capturing “other” reasons are codes 3 – 6 on the provisional ballots log.

The Provisional Ballot Log must be maintained throughout the day. The chief or assistant chief must be prepared to provide accurate numbers on provisional votes cast during Election Day within the polling place when the unofficial results are reported after the polling place closes.

Chief – After the Polling Place is Closed

### **Close the polling place**

- **Verify the correct time. At exactly 7:00 p.m., announce outside the polling place entrance loudly and clearly, “This polling place is officially closed.”**
- Record names of voters, if any, waiting in line. Start the list with the name of the last person in line and work forward.

- Anyone in line when the polling place closed at 7:00 p.m. must be allowed to vote using the voting equipment.
- Do not begin ascertaining the results until the last person has voted and departed.
- After all voting in the polling place is completed, close each EPB per your locality's EPB procedures

**Welcome and instruct authorized representatives (reps)**

- Welcome reps; check written authorization and verify registration. Refer to pages 2 and 3 within this guide for verification procedures and to the *Dos and Don'ts for Campaigners and Authorized Representatives*. **Explain to reps that they may not leave the polling place until the tabulation of results has been completed and announced to election headquarters (i.e. the general registrar's office).**
- If less than four reps request to be present, the officers shall select from among any bystanders, so that as many as four reps and bystanders are present while the votes are counted [see *Dos and Don'ts for Campaigners and Authorized Representatives*.]

**Supervise obtaining of results (closing the polling place)**

- Refer to the user instructions for the voting machine.
- Remove counted ballots from the bottom section of the voting machine and place in Box A (Counted Ballots).
- Write the number of ballots cast on the Box A Label where indicated.

**Empty emergency ballot box**

- Unlock and open the ballot box.
- Remove, but do not open, sealed provisional ballots in green envelopes, if any.
- Enclose used sealed green envelopes in the larger green envelope #1A.
- If so instructed by Election Board/GR, attach Precinct Provisional Ballots Log to the front of envelope 8
- Enter in the certification section, on the reverse side of envelope #1A, the number of green envelopes enclosed.
- Two officers must sign certification section on the reverse side of envelope #1A.

- **If no provisional votes are cast in the polling place**, two officers may instead complete a certification in place of provisional votes envelope #1A ELECT-1A form. When there are no provisional votes, this form can be sent to the circuit court for retention allowing reuse of the empty envelope. The unused, unmarked envelope should be returned in the supply case to the general registrar’s office.

**Special Procedures, only if voting hours are extended by court order**

- All voters voting after normal voting hours must vote by provisional ballot. Reason code 3 must be checked on the provisional envelope.
- A separate Precinct Provisional Ballots Log must be used for all “after hours” provisional voters. Reason code 3 must be circled on the provisional log for each voter. If additional reason codes are needed, circle the appropriate code on the log and check the appropriate box on the provisional envelope.
  - A provisional “after hours” voter who does not present an acceptable form of ID must, along with checking reason code 3, must check the box labeled “Voter ALSO did not present required identification”.
- Separate out all provisional ballots with reason code 3 checked (even if another reason is also checked).
- Enclose the “after hours” provisional ballots in the larger green envelope #1B.
  - If so instructed by Election Board/GR, attach Precinct Provisional Ballots Log to the front of envelope #1B.
- Enter in the certification section, on the reverse side of envelope #1B, the number of green envelopes enclosed.
- Two officers must sign the certification section on the reverse side of envelope #1B if voting hours are extended.

**\*\*\*NOTE:** If voting hours are not extended, leave envelope #1B unmarked and unused. Place in the supply case returning to the general registrar’s office. **DO NOT** put empty or unused green/ lime green provisional vote envelopes into large green envelopes 1A or 1B. Return them in the supply case to the general registrar’s office.\*\*\*

**Announce unofficial results**

- The chief or designed officer of election, whichever is applicable, must immediately call in unofficial election results and the number and disposition of all

provisional votes cast in the precinct to the general registrar's office (i.e., precinct totals of "non-registered", "no ID" and "other" provisional votes cast).

- Announce unofficial results inside and outside the polling place. If no one is outside the polling place, no outside announcement is necessary. If media, reps or others are still present in the polling place, they may leave at this time.

**Complete the Statement of Results (SOR) (two identical copies)**

- Complete both sets and attach closing tapes.
- All officers sign the SOR's and sign the closing tapes.

**Complete Printed Return Sheet** (may be printed on yellow or white paper)

- All officers sign the Printed Return Sheet.
- Attach results tape #3 to Printed Return Sheet.
- Seal signed Printed Return Sheet in envelope #2A.

**Supervise/pack envelopes and boxes [see References section]**

- Check off each envelope/box as it is packed, sealed and signed.
- Confirm that precinct name and/or number and date of election are printed on each envelope/box.
  - If necessary, enter this information in the upper right corner of each envelope/box label.

**Supervise/take down the voting equipment and EPB units**

- Refer to the user instructions for the voting machine.
- Refer to your locality's EPB procedures.

**Supervise/make final checks**

- Remove all signs and return as instructed.
- Pack election materials in the supply container and return as instructed.
- Leave polling place and inside of 40' prohibited area clean and organized.

## Demonstration Officer

### Demonstration Officer – Before the Polling Place Opens

#### **Set up demonstration equipment and all instructional materials**

- Set up equipment and ensure instructional aides are easily visible.
- Be prepared to provide instruction if demo equipment fails.

### Demonstration Officer – While the Polling Place is Open

#### **Offer a demonstration to each voter**

- Re-read and have available 1VAC20-60-40 “When ballot cast” regulation.
- Direct the voter’s attention to any instructional posters (e.g., Sample Ballots, Constitutional Amendment Explanation Poster).
- Explain how to vote using the equipment present in the polling place.
- If asked, provide write-in instructions.
  - Exception: Write-in voting is not allowed in a primary election.
- If using equipment that allows an overvote, caution voter against overvoting. Let the voter know that, if they wish to cast a ballot with an overvoted race, the optical scanner is programmed to accept the voter’s ballot and will only count the properly voted races.
- If using an optical scanner, inform the voter that they may return the ballot in exchange for a new one (see “Spoiled Ballot” section) if they want to change their vote in any race/issue on the ballot.
- Direct the voter’s attention to the *Sample Ballot*.
- Remind the voter that they may ask an officer of election for further instructions on any aspect of the voting equipment at any time.

### Demonstration Officer – After the Polling Place is Closed

#### **Take down demonstration equipment**

- Take down and secure demo equipment.
- Pack up instructional aides.

Assist with other duties as directed.

## Pollbook Officer

### Definitions and Explanations

Note: For EPBs, all AB applicants should be included in the EPB database except those who applied on Monday before the election (emergency applicants will be listed separately). Alphabetic sections and PBC forms are not used with EPBs. Refer to your locality's EPB procedures for detailed instructions.

- Final Absentee Ballot Applicant List (AB List): the official record of voters who were issued an absentee ballot before Election Day.
  - Do not post the AB List. Instead, retain the list for inspection by any person who asks to see it.
  - Treat each name marked “AB” on the pollbook as a person who has already voted. Refer to Problem 19 in the *What If* for guidance if a person offers to vote and “AB” is marked next to her name.
- Pollbook: the official record of registered voters in the precinct. In addition to the identifying information listed for each voter, the pollbook will show, to the left of some voters' names, a symbol that affects a voter's qualification to vote.
  - **Question Mark (?)**: (may appear as “inactive” in the EPB message box) means that there is a **question** about the voter's current resident **address** (see Problems 3 – 7 in the *What If*).
  - **A capital “A” (A)**: means that the voter has an assigned number instead of a social security number in her voting record (see Problem 18 in the *What If*).
  - **A capital “F” (F)**: means the voter is an overseas voter eligible to vote in federal elections only (see Problem 9 in the *What If*). Also check AB List to see if a ballot has been sent (see Problem 19 or 20 in the *What If*).

## Pollbook Officer – While the Polling Place is Open

\*\*\*KEEP THE LINES MOVING!\*\*\*

### **Determine if voter is qualified**

When determining a person’s qualification to vote, if you encounter a problem that cannot be resolved quickly, direct the person to the chief or assistant chief.

Note: The pollbook count numbering procedures listed on the next page do not apply to EPBs. Refer to your locality’s EPB procedures for detailed instructions.

The majority of voters will be checked in following the procedures outlined below.

Standard Procedure	What to do if ...
<p>Step 1: Ask the voter for their full legal name and current residence address even if you know the person.</p> <p>Repeat the voter’s full name in a loud and clear tone so that the party and/or candidate representatives can hear.*</p> <p>Ask the voter for any one of Virginia’s acceptable forms of identification</p>	<p>If voter’s qualification to vote is challenged by another voter or an officer of election, see Problem 13 in the <i>What If</i>.</p> <p>If you have questions about which IDs are acceptable, see Problem 1 in the <i>What If</i>.</p> <p>If voter has no acceptable ID, see Problem 2 in the <i>What If</i>.</p>
<p>Step 2: Locate voter’s name on the pollbook or EPB.</p>	<p>If “inactive” is printed next to voter’s name or if the voter has moved, see Problems 3 – 7 in the <i>What If</i>.</p> <p>If voter’s name is already marked with a consecutive number on pollbook, see Problem 14 in the <i>What If</i>.</p> <p>If “A” – call Registrar’s Office If “F”- see problems 9 or 19-20.</p>
<p>Step 3: Compare voter’s current address with the address printed on the pollbook or seen on the EPB screen.</p>	<p>If voter’s address has changed, see Problems 4 – 7 in the <i>What If</i>.</p>
<p>Step 4: select voter from the EPB.</p>	

Step 5: Check voter in on EPB.	
Step 6: Give the voter an entry/voting permit and direct the voter to the next officer. After being checked in and marked on the pollbook, the voter must remain in the polling place until they cast their vote.	
<b>*NOTE: As of July 1, 2020, officers should no longer repeat aloud the voter's address, only their full name.</b>	

<i>If...</i>	<i>Then, in addition to entering the pollbook count number...</i>
Voter votes outside the polling place.	Enter "OP" opposite voter's name in pollbook (in ** column).
Voter is required to sign <i>Affirmation of Eligibility</i> statement.	Enter "S" opposite voter's name in pollbook (in ** column).
Voter is required to vote a paper ballot (emergency or Presidential ONLY).	Enter "P" opposite voter's name in pollbook (in ** column). Mark the "P" for voters who vote paper ballot. Paper ballots are not optical scan ballots because they cannot be read by optical scanner machines.

**\*\*\*See *What If* for all other issues and detailed instructions on the issues above.\*\*\***

**Dual Primary Election:** Mark the voter's name with the pollbook count number in the pollbook for the primary in which they are voting. A voter may only vote in one party's primary. When dual primaries are held, see "Primary Elections" at the end of this document.

Pollbook Officer – After the Polling Place is Closed

**Certify Pollbook Count form** (First three bullets do not apply to EPBs)

Print a summary report from the EPB's for the SOR to determine the number of voters checked in the precinct. Give this number to the Chief for the SORs.

### Machine/Booth Officer

#### Machine/Booth Officer – Before the Polling Place is Open

- Immediately report unsealed equipment to the chief.
- Set up machines (refer to the user instructions for the voting machine).
- Position machines so no person other than the voter can see the voter's ballot marking surface, and no voters, officers or observers will walk behind any voter where they can see (even unintentionally) how the voter is voting. The voter's perception of privacy in voting is as important as actual privacy.
- Re-read and have available 1VAC20-60-40 "When ballot cast." regulation.

#### Machine/Booth Officer – While the Polling Place is Open

- Direct voter to next available machine; ready machine for voter.
- Remind voter that she may ask an officer of election for instructions on how to use the ballot or equipment at any time. Voter and assistant must complete *Request for Assistance* form if the voter needs assistance in reading or marking the ballot due to blindness, physical disability, or inability to read or write. This includes translation of the ballot into another language. See Problems 15, 16, and 17 in the *What If* and the *Assistance* form for details.
- Stand near the voting machine while voter is voting to be readily available to answer technical questions, while protecting the voter's privacy.
- Remind voter to confirm choices and ensure voter has cast ballot.
- Once the voter has left the booth, confirm ballot has been cast, remove extraneous materials, and make sure there are not marks on equipment or booth.
- If the voter leaves the booth without casting the ballot and has left the polling place, notify the chief immediately. The un-voted ballot must be voided.

- For curbside voting requests, see Problem 18 in the *What If*.
- Offer an “I VOTED” sticker to voter that completes voting.

**For optical scan ballot –**

- **Spoiled ballot (voter wants a replacement)**
  - Mark the ballot “Spoiled” and place in envelope #4.
  - Mark off the next number on the Ballot Officer’s Report under “Spoiled”.
  - Issue a new ballot. Do not assign another pollbook count number.
- **Void ballot (voter leaves ballot in booth or removes ballot from the polling place)**
  - Retrieve ballot, if possible, mark “VOID”, and place in envelope #4.
  - Mark off the next number on the Ballot Officer’s Report under “Void”.
  - DO NOT issue another ballot. Do not erase, change or reuse voter’s pollbook count number

Machine/Booth Officer – After the Polling Place is Closed

**For optical scan ballots or paper ballots:**

- Process ballots from emergency ballot box, if used. **Do not open green envelopes containing voted provisional ballots.**
- Process ballots according to locality’s instructions.
- Close the polling place on each voting machine as directed by chief officer.
- Print required 4 results tapes and give to the officers completing the SORs.
- Pack up and secure all voting machines (refer to the user instructions for the voting machine and/or tailored locality instructions).
- At the chief’s direction, seal voting machines.

## Ballot Officer

### Ballot Officer – Before the Polling Place Opens

- At direction of the chief, count optical scan ballots. Verify number of sealed packages, if provided in pre-counted packages; count individual ballots, if not in sealed packages. Do not open packages that are not needed.
- Re-read and have available copies of 1VAC20-60-40 “When ballot cast” regulation.

### Ballot Officer – While the Polling Place is Open

- Issue a ballot to each voter who has been qualified by the pollbook officer(s).
- Take the ATV ticket from the voter in exchange for a ballot. Place the ATV ticket in the shoe box.

### Ballot Officer – After the Polling Place is Closed

- Count unused ballots in any opened packs. Leave sealed (pre-counted) packages sealed.
- Report count to officers completing the SOR. Enter total unused on the Ballot Officer's Report.

\* **“Two Officers” means:**

- **General/Special/Dual Party Primaries: Officers of different political parties**
- **One Party Primary: Any two officers**

Optional

1. If the precinct uses the Empty Envelope Certification (ELECT-Empty Envelope Certification), complete it and include it in envelope #2. The unused, unmarked envelopes should be returned in the supply case.
2. If the precinct uses the Certification of Materials Used in Election (ELECT-659, -668) form, complete it and include it in envelope #2. Any unused, unmarked envelopes should be returned in the supply case.

ELECT provides only those envelopes specifically required by the Code of Virginia. All other envelopes must be provided by the localities themselves. The ELECT website offers print-ready materials and artwork for each of the required envelopes and labels. A locality may develop its own envelopes #9 through #12 and use them, if desired.
