

## Free Disposal

During bagged leaf season\*, residents may bring leaves to the **Public Use Areas for NO CHARGE**. These facilities are open daily, 7:30 a.m. – 7:00 p.m and closed on Thanksgiving Day, Christmas Eve, Christmas Day & New Years Day. Locations:

- 10600 Fords Country Ln. (804) 727- 8032
- 2075 Charles City Rd. (804) 222 - 7739

\* Bagged Leaf Season is Nov. 7 - Feb. 11

## Leaf Recycling

Mulching & composting your leaves nourishes your lawn and garden. The Virginia Cooperative Extension Service recommends placing your leaves through a shredder or mower to create mulch and compost that is good for weed control and soil amendment. For more information, contact the Henrico County Extension Service at (804) 501-5160 or at [www.ext.vt.edu](http://www.ext.vt.edu).

## Leaf Burning

Please note it is **illegal** to burn leaves in most areas of the County. For more information, call the County's Fire Marshal's office at (804) 501-4900.

## Leaf Vacuum Services

Henrico County offers a leaf vacuuming services for \$30 per order during the following times:

- **Nov. 7, 2022 - Dec. 2, 2022**
- **Feb. 27, 2023 - March 31, 2023**

Leaf orders will typically be fulfilled within a few weeks depending on weather and demand. Our goal is to have orders placed during the Nov. 7, 2022—Dec. 2, 2022 window picked up by the end of the year.

To be eligible for vacuum services, the leaf piles:

- Must be accessible from the road in front of your Henrico property.
- Must not contain trash, sticks or debris as this prevents the leaves from being recycled.

Once your leaves are placed by the road, please place your order online at [www.henrico.us/utilities](http://www.henrico.us/utilities) or call (804) 727-8779. For any questions regarding the leaf vacuum pickup, please call (804) 727- 8779.

**Please note** that we work hard to collect vacuum leaf orders in a timely manner. We cannot guarantee an exact timeframe for collection due to the large volume of orders placed and weather conditions that complicate collection efforts. Your patience is greatly appreciated!

## Prevent Pollution

We kindly ask that **you place your leaves at an accessible location in front of your property** in order to prevent the degradation of water quality, flooding, and traffic hazards. **Please do not block traffic lanes, parking, roadside gutter pans, or drainage ditches.** County ordinances restrict the placement of leaves in these locations, as leaves can obstruct stormwater drainage. Leaves in our streams and waterways contribute to stormwater pollution, as they often contain dirt, debris, and pet waste. Please help keep your neighborhood neat and attractive by properly placing your leaves and promptly calling for leaf vacuum service.
