

FLY SWATTER GOLF

<https://physickitchness.com/family-olympic-games/>

Equipment

- Fly swatter
- Plastic golf ball or something similar

Directions

Step 1: Determine a designated length of course.

Step 2: Use cones or other objects to mark start/finish line.

Step 3: Assign someone to be the referee.

Step 4: At "Go"- Swat the plastic ball on ground until desired length of course then back to team.

Step 5: Next team member receives the swatter and completes the course.

Step 6: First team to complete all members wins.

Variation

If you don't have a fly swatter, no worries. You can use a stick, broom stick, or paper towel roll (be creative).
