

Hot Glue Gun Snowflake Window Cling

Supplies:

- ❖ Glue gun
- ❖ Glue sticks
- ❖ Snowflake templates
- ❖ Clear contact paper *lining* (no wax/parchment paper)

Directions?

1. Create snowflake template by drawing design on any paper.
2. Lay contact paper over design wax side up.
3. Use hot glue gun to trace design
4. Let cool
5. Peel and stick to window. Use drop of hot glue to help snowflake stick to window.
