

Guess that Smell!

Holiday Version

Supplies:

- Jars or containers that hold smells in (opaque jars help hide objects)
- Santa hat or bandana for blind fold
- Smelly items- See below for suggestions
 - Pinecone
 - Pine Needles
 - Peppermint Candy
 - Cotton balls soaked with vanilla extract
 - Cotton balls soaked with almond extract – that might be specific to our Christmas Cookies. Almond always reminds us of Christmas. I'll link the recipe to the yummiest Sugar Cookies Ever, below
 - Cinnamon Sticks
 - Chocolate
 - Fudge
 - Gingerbread
 - Hot Chocolate Powder
 - Extracts and oils – soak cotton balls with the scent and place in jar. Seal with lid

Directions:

1. Blind fold person guessing smells.
2. Take cover off and let guesser smell and guess.
3. Keep track of how many they get right.

If playing with teams let one team guess, then let other team guess.

Make sure to mix up the smells or get two of everything.
