This permit is valid only for movement over Henrico County maintained roadways. A permit must be obtained from the Virginia Department of Motor Vehicles (DMV) for movement over State maintained roadways.

This permit must be carried on the above-described vehicle and is subject to cancellation if any of its conditions are violated. Applicant will be held responsible and must pay for any damage caused to roads or bridges by excess loads. The County in no way guarantees the road or structure to be capable of carrying the load for which this permit is issued. Applicant certifies that the above information is correct and that applicant fully understands all provisions and requirements of this permit.

A Certificate of Liability Insurance made out to the County of Henrico, with County of Henrico listed as an additional insured, must be provided before your permit can be issued. This Certificate must be valid for the entire term of the permit. It is your responsibility to ensure that a valid copy is on file with this office. If this office does not have a valid Certificate of Insurance on file, your permit is not valid, and the Division of Police can ticket you.
