

How to Draw A Life-Size Whale

<https://www.kcedventures.com/blog/whales-science-activities-life-in-the-sea>

Equipment

- Bucket of chalk – lots and lots of chalk
- Tape measure
- Picture of your favorite whale (the length of the whale you chose)

Directions

Step 1: The first thing you'll need to do is measure out the length you'll need for your whale.

Step 2: Use chalk to measure out the distance.

Step 3: Get to work on drawing the whale. Use your picture to help.

Step 4: Get creative and as detailed as you would like.

Step 5: Have fun!
