PURPOSE OF THIS DOCUMENT

This brochure describes the codes that govern the parking of Inoperable vehicles on private property and prohibit the parking of abandoned vehicles on the public right of way. Vehicle laws are important to the people who live and work in Henrico County, as well as to prospective businesses and residents.

HENRICO COUNTY CODE

Section 22-6 of the Henrico County Code defines an inoperable vehicle as any motor vehicle, trailer, or semi-trailer which is not in operating condition, or does not display valid license plates, or does not display an inspection decal that is valid or does display an inspection decal that has been expired for more than 60 days.

INOPERABLE VEHICLES ON PRIVATE PROPERTY

One inoperable motor vehicle may be kept outside a fully enclosed building or structure if it is shielded or screened from view. Shielded or screened from view means not visible from someone standing at ground level from outside of the property on which the vehicle is located. Covering inoperable motor vehicles with tarps or car covers does not meet the requirements of the ordinance. Generally, a fence, wall, or dense evergreen screen is needed to meet the ordinance requirement.

WHAT HAPPENS WHEN A VIOLATION IS OBSERVED?

A Community Maintenance Inspector will respond to a violation by contacting the property owner to explain the code and how to reach compliance. The inspector will make every effort to contact the property owner in person by leaving business cards, brochures, and notices at the dwelling and following up by the U.S. mail. Voluntary compliance is the goal of our program. However, if voluntary compliance is not reached by the deadline date, a court summons may be obtained. Only one Notice of Violation will be issued in any 12-month period. Additional violations may result in a summons being issued for you to appear in Henrico County General District Court.

PENALTY FOR VIOLATION

The owners of an inoperable motor vehicle on private property are subject to a criminal penalty of up to \$2,500 and/or 12 months imprisonment if convicted of a violation.
