

New Life for Your Clay Planters

Do you have old, unused clay pots laying around? Give them a new and unique look simply by painting and distressing.

Supplies:

- Old clay pot
- Acrylic paint (any will do)
- Sandpaper

Instructions:

1. Coat the whole pot with paint.
2. Let it completely dry.
3. Use the sandpaper to distress the surface until you get the look you want.

Easy Peasy!
