Oakleys Lane Improvement Project Citizen Information Meeting

Tuesday, July 1, 2019

6 p.m. - 7 p.m.

Highland Springs Elementary School
(Cafeteria)

600 Pleasant Street Highland Springs, Virginia 23075

Welcome to the County of Henrico citizen information meeting on the proposed Oakleys Lane Improvement project. The purpose of this meeting is to provide an opportunity for citizens or organizations to give comments on the proposed project. The County wants all members of the community to have the opportunity to participate in public involvement on projects affecting them. The County representatives are present to discuss the project and answer your questions.

Comments can either be submitted using the form included in this handout or via County's website at:

<https://henrico.us/projects/oakleys-lane-improvement-project/>

County staff will address all questions and concerns raised as a result of this meeting.

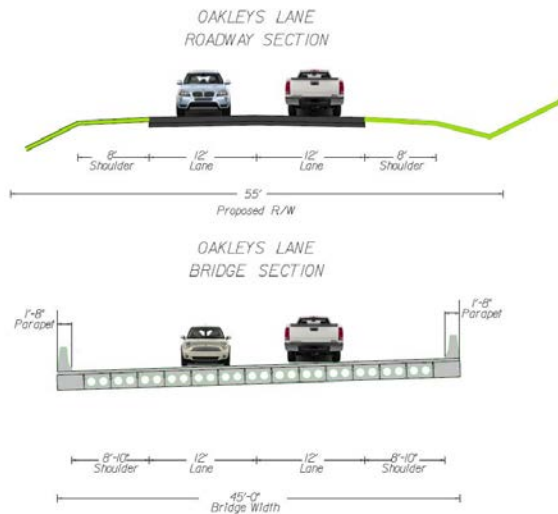

Project Description

The Oakleys Lane Improvement Project will realign and upgrade a 0.45 mile section of Oakleys Lane between South Holly Avenue and Oakleys Place. The project will increase lane widths from 10 feet to 12 feet and adequate roadway shoulders will be constructed. Guardrail will be installed, where needed. A right turn lane will be added from Oakleys Lane onto South Holly Avenue, and a bridge over Gillies Creek will be installed.

Oakleys Lane is a minor collector Roadway and will have a speed limit of 35 mph.

Environmental Review

The County has hired consultants to review the social, economic, and environmental impacts of the project on the local community and surrounding area. As a result of this review, a determination will be made concerning the construction impacts of the project. We anticipate this will result in finding of no significant impact. During construction, all reasonable efforts will be made to protect the environment with respect to dust control, siltation and erosion. Construction will conform to the County's specifications and special provisions and the Virginia Department of Soil and Water Conservation regulations.

Civil Rights

Representatives from the County are present to discuss the project and answer your questions. It is the responsibility of the County to ensure that all members of the community are afforded the opportunity to provide comments and participate in public decisions on projects affecting them. The County ensures nondiscrimination in all programs and activities in accordance with Title VI of the Civil Rights Act of 1964.

Right of Way

Displays at this meeting show the extent of right of way that will be needed as the project is currently proposed. Property owners will be informed of the exact location of the easements during the right of way acquisition process and prior to construction.

If you have questions or concerns regarding the proposed easement or right of way, please contact Steve Bandura, Capital Projects Manager, at ban03@henrico.us or (804) 501-5985.
