#### AFFIDAVIT FOR OWNER APPLICANT

#### **DECLARATIONS:**

I, the undersigned, hereby declare that, to the best of my knowledge and belief, the information provided in this application is true and accurate. I am authorized to act on behalf of the business/property named herein. I further agree by the terms and conditions of the program description and criteria as contained herein. I understand that the County may refuse to provide incentives under the Enterprise Zone Program to firms or properties with delinquent debts owed to the County or outstanding Henrico County Code violations. I also understand that any false or misleading information provided by me or the business may result in the loss of grants to which the firm or properties might otherwise be eligible. I understand that the failure to submit required information will result in forfeiture of the grants under the program.

I authorize the Henrico County Enterprise Zone Program Administrator to disclose such information, as provided to the County, to the Virginia Department of Housing & Community Development for reporting purposes as required.

# Off-Site Improvements Grant Addendum Henrico County, Virginia Enterprise Zone Grant Program Description and Acknowledgement of Criteria

The Henrico County Enterprise Zone Grant Program encourages the renovation of properties in the County's Enterprise Zone to enhance these commercial corridors as appealing places where people will want to shop and otherwise conduct business. The Off-Site Improvements Grant is available to promote the development, redevelopment, and rehabilitation of properties through off-site drainage, water, and sewer improvements.

The following applies to the Off-Site Improvements Grant (please initial each criterion acknowledging the statement intent):

**Program Funding:** The County allocates funding from Community Development Block Grant funds for this program. Off-Site Improvements Grants are available on a first come first served basis to eligible program participants. The amount of grant assistance is limited to 33% of the proposed off-site improvement costs or \$10,000, whichever amount is lower. The grant will be reimbursed based upon the actual costs, and will be provided after the completion of the off-site improvements and building improvements/new construction.

**Eligible Applicant:** An eligible applicant is a person or firm having ownership or leasehold rights in a building located within the Henrico County Enterprise Zone. A leasehold applicant is required to have approval from the owner. Businesses must have a valid business license and may not have outstanding tax or other financial obligations to the County. The site must be zoned for the current use. A building may benefit from only one Off-Site Improvements Grant during any 5-year period. \_\_\_\_

**Eligible Improvements:** Eligible improvements are off-site drainage, water, and sewer needed to serve the property. The parcel served by the off-site improvements must have minimum investment of \$250,000 in new construction or \$50,000 in exterior improvements to an existing building. Off-site improvements must serve an Enterprise Zone property. Buildings must have an existing or proposed commercial or industrial occupancy. \_\_\_\_\_

**Planning and Permit Center Requirements:** Off-site improvements funded under this program fall under the same County requirements as other property improvements. The applicant is responsible for following County procedures regarding Plan of Development, obtaining required permits for the work, providing any required plans for permits, requests for rezoning, and plan review, if applicable. \_\_\_\_\_

**Application Requirements:** The applicant shall file an <u>Application for Off-Site Improvements Grant</u> on the appropriate County form(s) and include the following:

- Site Plan and drawings showing location and details of all off-site improvements
- Description of proposed scope of work and cost estimates
- Copies of bids as per the procurement requirements

The applicant, at their expense, shall be required to employ an architect, engineer or contractor, as may be appropriate, for the development of the plans and estimates. Estimates and subsequent bids must provide adequate detail to determine the costs of discrete work items and for the identification of costs for off-site improvements.

**Procurement Requirements:** The following procurement procedures shall apply:

A written Scope of Work description shall be provided to each potential supplier. Supplier solicitations may be sent electronically via email or fax. A list (name and address) of all solicited suppliers shall be provided to the Department of Community Revitalization. Supplier solicitation(s) shall be governed by the following:

- Level 1 Purchases Estimated Grant payment up to \$2,000 (total job cost under \$6,060): Minimum of two (2) quotes solicited;
- Level 2 Purchases Estimated Grant payment between \$2,001 and \$5,000 (total job cost between \$6,061 and \$15,151): Minimum of three (3) quotes solicited. A minimum of one (1) quote must be solicited from a company listed on the Virginia Department of Minority Business Enterprise (DMBE), Small, Women and Minority (SWaM) Vendor Directory, found at the following link: <a href="http://www.dmbe.virginia.gov">http://www.dmbe.virginia.gov</a>.
- <u>Level 3 Purchases Estimated Grant payment between \$5,001 and \$30,000</u> (total job cost between \$15,152 and \$90,909): Minimum of four (4) quotes solicited. A minimum of one (1) quote must be solicited from a company listed on the Virginia Department of Minority Business Enterprise (DMBE), Small, Women and Minority (SWaM) Vendor Directory, found at the following link: <a href="http://www.dmbe.virginia.gov">http://www.dmbe.virginia.gov</a>.

In the event that **NO** responsible quotes are received from the initial requested supplier solicitation list, a new list shall be developed and the request procedure repeated. \_\_\_\_\_

#### Agreement for the Use of CDBG Funds:

#### **Jobs Agreement**

Upon approval of the application, the applicant will enter an agreement with the County, commonly known as the Jobs Agreement, setting forth the terms and conditions related to the use of federal Community Development Block Grant Program funds. As a condition to the use of the CDBG funds, the applicant must agree to create one job. The job created must be available to persons previously of low income, as defined by the U.S. Department of Housing and Urban Development. It is expected that the job will be created within

two years of the completion of the improvements. The applicant agrees to provide information about employees hired pursuant to the Jobs Agreement and to maintain records as may be required for audit or reporting purposes
Davis-Bacon Wage Requirements  The applicant will also be required to ensure that the contractor pay wages in compliance with the federal Davis Bacon wage rates. In addition, the applicant agrees to comply with the County procedures for the competitive bidding of the work. County staff will provide technical assistance to the applicant related to Davis Bacon and procurement. The applicant will be required to maintain a file related to the agreement and the status of its efforts to create jobs and the income eligibility of persons hired in the new positions. The County staff will monitor the progress of the applicant and the applicant will make the file and any related records available for inspection by County staff upon request
<b>Payment:</b> Disbursement of grant funds is contingent upon completed work passing County inspections. The applicant will provide proof of all project related expenditures. Payment of the grant will be made on a reimbursement basis after the receipt of all supporting documentation. Payment will be made within 15 days of approval by the County staff. Written request for payment of grants must be received by the county within 90 days after completion of the work. Completion of the work is defined as final payment to contractor(s)
*All grant approved work must begin within 6 months of grant authorization, or application becomes null and void
