Community Meeting Derbyshire Road Improvements Study

Monday, March 11, 2024

5:30 p.m. – 7:00 p.m.

Maybeury Elementary School

901 Maybeury Drive, Henrico, VA 23229

The County of Henrico, Department of Public Works welcomes you to the Community Meeting for a study of Derbyshire Road Improvements. The purpose of this meeting is to provide an opportunity for citizens or organizations to provide comments on pedestrian and vehicular safety improvements the County is considering to Derbyshire Road which were recommended in an Alternatives Analysis prepared by a County consultant. The County wants all members of the community to have the opportunity to participate in public involvement on studies/projects affecting them. The County representatives are present to discuss the study and answer your questions. Comments can be submitted using the comment form. County staff will address all questions and concerns raised as a result of this meeting. Thank you for your interest in this study.

Alternatives Analysis Overview

Location: From the intersection of Lakewater/Heathfield Drives and Derbyshire Road to the intersection of Derbyshire Road and Midway Road.

Length: 0.7 miles

Purpose: To provide safer pedestrian access and increase pedestrian and vehicle safety.
