The County of Henrico Department of Public Works welcomes you to the Public Information Meeting for the proposed Fall Line Trail – Southern Section. The purpose of this Public Information Meeting is to give an opportunity for citizens or organizations to provide comments on the proposed project. The County wants all members of the community to have the opportunity to participate in public involvement on projects affecting them. The County representatives are present to discuss the project and answer your questions. Comments can either be submitted using the form included in this handout or via County's website at: <https://henrico.us/projects/fall-line-trail/>

County staff will address all questions and concerns raised as a result of this Public Information Meeting.

Fall Line Trail Project Description

The Fall Line Trail is a regional paved multi-use trail that is planned to span seven localities and connect rural, suburban, and urban landscapes and a multitude of places of interest for approximately 43 miles in the Richmond region from the City of Petersburg to the Town of Ashland.

The Henrico County segment will be approximately 7.5 miles long and constructed in eight phases. The County's trail segment will span from Bryan Park Avenue to the Chickahominy River at the boundary line between Henrico County and Hanover County. The Southern Section is comprised of five projects; listed below.

Project Overview: Pedestrian Accommodations at Spring Park

Location: From Bryan Park to Spring Park

Length: 0.26 miles

Purpose: To construct a 0.26 mile section of the Fall Line Trail, a 12-foot-wide asphalt shared-use path, from Bryan Park across Lakeside Avenue to Park Street and into Henrico County Spring Park. Additionally, a pedestrian hybrid beacon will be installed for the crossing of Lakeside Avenue to provide a safe bicycle and pedestrian crossing.

Anticipated Cost: \$1,200,000

Anticipated Schedule:

Right of Way Acquisition: April 2023 – June 2023

Utility Relocation: Complete

Construction: September 2023 – March 2023

Project Overview: Lakeside Community Trail, Phase 1

Location: From Spring Park to Dumbarton Road

Length: 0.66 miles

Purpose: To construct a 0.66 mile section of the Fall Line Trail, a 12-foot-wide asphalt shared-use path, from Henrico County Spring Park to Dumbarton Road. Additionally, a pedestrian crossing will be constructed across Dumbarton Road.

Anticipated Cost: \$3,300,000

Anticipated Schedule:

Right of Way Acquisition: August 2023 – February 2024

Utility Relocation: December 2023 – April 2024

Construction: June 2024 – June 2025

Project Overview: Lakeside Community Trail, Phase 2

Location: From Dumbarton Road to Lakeside Recreation Area

Length: 0.44 miles

Purpose: To construct a 0.44 mile section of the Fall Line Trail, a 12-foot-wide asphalt shared-use path, from Dumbarton Road to the Lakeside Recreation Area. Improvements include two (2) pedestrian bridge crossings over Upham Brook and two (2) connector trails. Additionally, a pedestrian crossing will be constructed across Dumbarton Road.

Anticipated Cost: \$4,200,000

Utility Relocation: January 2024 – July 2024

Construction: May 2025 – April 2026

Environmental Review

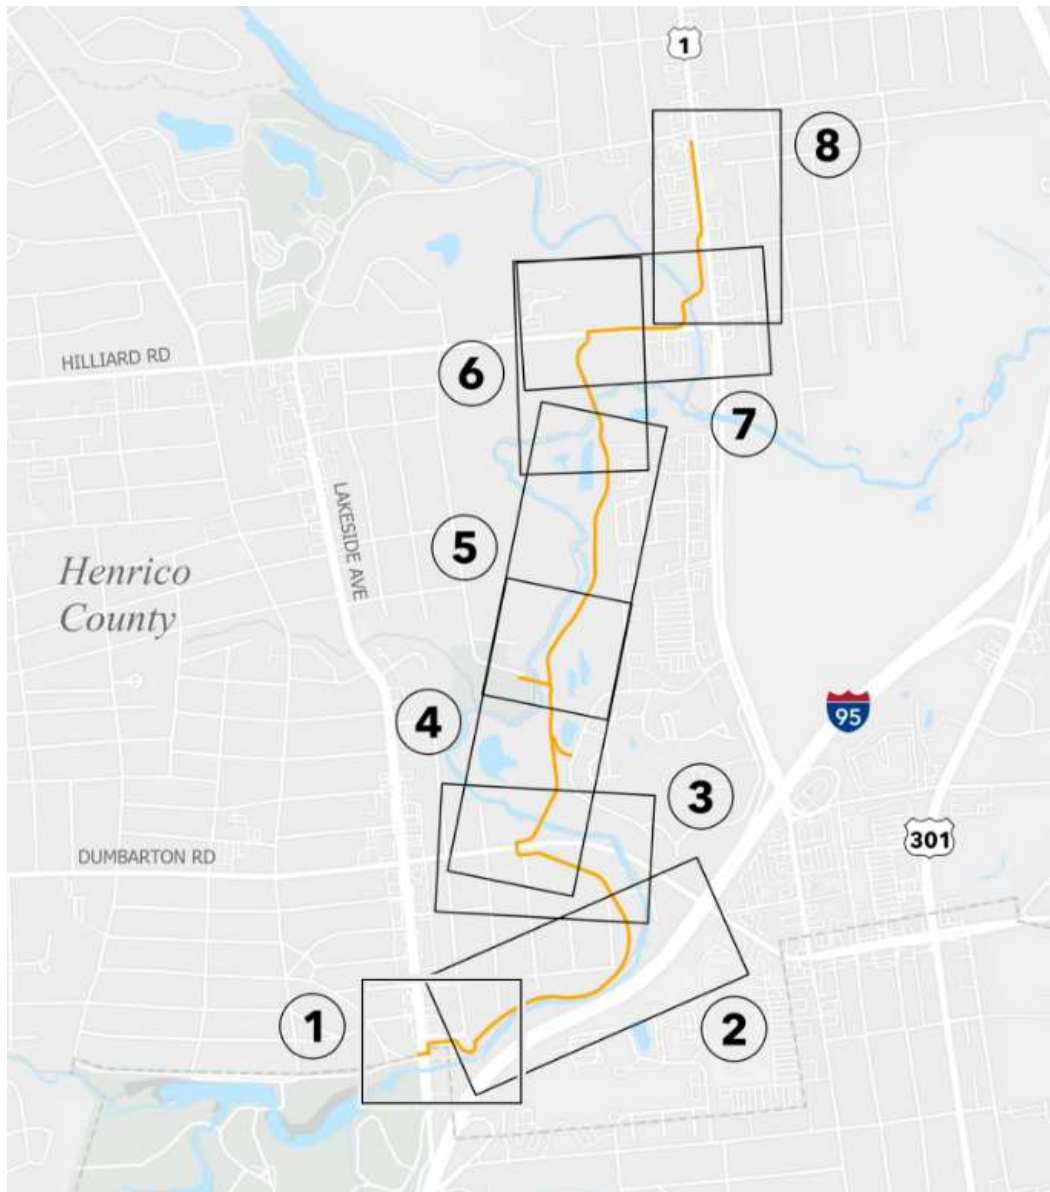

The project will be developed in compliance with all applicable regulations, and measures will be taken to minimize any potential environmental impacts. All required environmental clearances and permits will be obtained prior to commencement of construction. During construction, all reasonable efforts will be made to protect the environment with respect to dust control, siltation, and erosion. Construction will conform to the County's specifications and special provisions and the Virginia Department of Soil and Water Conservation regulations.

Civil Rights

Representatives from the County are present to discuss the project and answer your questions. It is the responsibility of the County to ensure that all members of the community are afforded the opportunity to provide comments and participate in public decisions on projects affecting them. The County ensures nondiscrimination in all programs and activities in accordance with Title VI of the Civil Rights Act of 1964.

Right of Way

Displays at this public information meeting show the extent of easements and right of way that may be needed as the project is currently proposed. As the design is further developed, additional easements and right of way may be required beyond what is shown in the current plans. Property owners will be informed of the exact location of the easements during the right of way acquisition process prior to construction.
