ABOUT CRIME DATA

This report does not contain information about all known criminal offenses that have occurred in Henrico County. Rather, the data contained in this report is reflective of offenses reported to the FBI, commonly referred to as Part I Offenses. These Part I Offenses include violent offenses (murder, rape, robbery, aggravated assault¹) and non-violent offenses (burglary², larceny, motor vehicle theft and arson).

Narrowly specifying the offenses used to calculate crimes per 1,000 residents (i.e. Crime Rate) enables the Henrico County Police Division to provide reliable, year-over-year comparisons of the most serious criminal activities affecting our community. Accordingly, offenses listed in this report are consistent with those reported in previous years.

¹Aggravated Assault does not include Brandishing of Firearm offenses.

²Burglary does not include Unlawful Entry offenses.
