

Superhero Rings

<http://ohrubbishblog.com/2014/01/super-power-super-hero-rings-upcycled-plastics-milk-caps-ring-pop-candy-dc-super-friends-birthday-party-favors/>

Time Required: 15 minutes

Prep Required: None

Space(s) Needed: Indoor

Materials:

- Upcycled milk caps
 - Upcycled rings from
 - Ring Pop candy
 - Low temperature glue gun
 - Scissors
 - Clear nail polish
 - 1" Circle punch (optional)
- Printable (provided)

Instructions:

Step 1. Cut the tip off the ring from the upcycled Ring Pop candy.

Step 2. Find a milk top that will fit over the ring pop top nicely.

Step 3. Hot glue the milk top over the ring pop.

Step 4. Print and cut out superhero logo printable on website or design your own that will fit the milk top.

Step 5. Glue logo to the milk top.

Step 6. Apply a coat of fingernail polish as a sealant.

Variation:

- Cut two holes in the milk top and use a bread tie as the ring or cut a rubber band and thread through the holes for the ring.
