**Time Required:** 30 minutes

**Prep Required:** None

**Space (s) Needed:** Table space

## Materials:

Paper

Marker

Celery

Knife

Paint

Plate

Table covering

## Instructions:

1. Have grown up cut celery into 3" long pieces
2. Draw a fish outline on your paper. Make sure it is large enough to be filled with celery stamp scales.
3. Pour a small dab of each color paint onto the plate.
4. Dab the end of the celery into a color and stamp the color on the fish. Use a different piece of celery for each color

## Variations:

1. Use rainbow colors and make a rainbow with celery.
2. Try other animals and vegetables.
