Budget Highlights

The approved FY2018-19 County Manager’s office budget includes funding to cover the costs of personnel, routine office expenses, and other expenditures needed to keep the members of the Board of Supervisors advised on County business and finances. Also, funds are included that allow the County Manager and his five deputies to maintain memberships and participation in organizations and meetings necessary to keep abreast of current trends and developments beneficial to the County and its citizens.

Additionally, the County Manager and his deputies actively engage in promoting County interests by maintaining close communication with various important sectors of the community. These include County residents, civic groups, other governments, the local business community, and the legislative delegation for the region.

The County Manager’s approved budget for FY2018-19 is \$1,883,328. This represents an increase of \$80,494 or 4.5 percent when compared to FY2017-18. This increase can be attributed to updated estimates for personnel, including salary increases and an increase in health care costs.
