FY2017-18 approved budget. This increase was driven solely by the personnel component, which includes salary increases and associated fringe benefits such as VRS rates and health care costs.

The Department is separated into two divisions: Public Relations and Media Services.

Public Relations

The Public Relations component of the budget for FY2018-19 is \$789,671. Compared to the approved FY2017-18 budget, this is a decrease of \$53,385 or 6.3 percent. This decrease is due to the movement of one position previously in the Public Relations division to the Media Services division, however it is partially offset by an overall increase in salaries and fringe benefit costs.

The employees in the Public Relations office focus on media relations and public awareness of County policies, programs and services via coverage in print and broadcast news media, and through various publications such as news releases, departmental brochures and other print materials. Public Relations is also responsible for social media, including the County's official Twitter and Facebook accounts, photography, graphic design, and HCTV message board bulletins, among other services. The division also serves as the County's FOIA officer.

Media Services

The Media Services component of the budget for FY2018-19 is \$1,089,629, which is an increase of \$101,550 or 10.3 percent from FY2017-18. The significant increase is attributed to the previously mentioned transfer of one position from Public Relations, as well as salary increases and an increase in fringe benefit rates.

The employees in the Media Services office serve as a video production and media support staff, telling the story of Henrico County through feature and documentary programming and video news releases. Media Services offers other County agencies assistance with promotion of their programs and services through video productions. The office maintains and develops content for the Henrico County Government channel at YouTube.com, provides streaming video coverage of Board of Supervisors meetings and is also responsible for producing programs and operating HCTV.

For FY2018-19, Public Relations and Media Services will continue providing the same quality and level of service. The department will continue to assist agencies with media and public information needs, will be available to disseminate information during crisis situations, will write and produce various publications, will live-stream every Board of Supervisors meeting, will assist with special projects, and will produce new, original programming for HCTV and the Henrico County Government YouTube channel.
