

POLICE – METRO AVIATION UNIT

DESCRIPTION

In 1986 the Counties of Henrico and Chesterfield, and the City of Richmond entered into a multi-jurisdictional agreement, which facilitated the use of police aircraft in all three jurisdictions and created the Metro Aviation Unit. As a part of this agreement, the Henrico Police Division is charged with housing the aircraft; supervision of the pilots; fiscal management; and planning the training for the Unit.

OBJECTIVES

- The Unit will provide aerial observation and support for local area jurisdictions.
- The Unit will conduct patrols of identified high crime areas.
- The Unit will provide transportation of prisoners to and from other jurisdictions upon request.
- The Unit will provide aerial photographs of any location in the metropolitan area upon request.
- The Unit will provide routine and special aerial patrol within the tri-jurisdictional area.

BUDGET HIGHLIGHTS

The FY2019-20 budget includes \$80,000 for the extradition of prisoners, which is fully reimbursable from the State Supreme Court. The remaining balance of the budget, \$382,000, is divided equally between Chesterfield County, the City of Richmond, and Henrico County. In FY2019-20, Henrico’s share of the budget remains constant at \$127,332. Henrico’s Police Division fiscally manages and supervises the Metro Aviation Unit. The combined budget for Metro Aviation and Extradition totals \$462,000.

The Metro Aviation Unit continues to be a valuable and effective crime fighting tool to the participating localities and the region. The localities continue to increase their usage of the unit and each locality now assigns three pilots to the unit.
