An election resource not included in the budget is the Henrico County Student Page Program, which is supervised by the department. High school students volunteer to work on Election Day at the polling places to earn community service hours. Their duties include assisting with the opening of polls on Election Day, distributing voting guide pamphlets, opening doors for elderly and disabled voters, and other duties as assigned by the Chief Officer of Election. This election year, 79 student pages, representing all nine county High Schools, earned 553 hours of community service working at the polling places. These community service hours resulted in overall savings of \$5,925 for the department.
