BUDGET HIGHLIGHTS

The James River Juvenile Detention Commission (JRJDC) is a regional organization of Goochland, Powhatan, and Henrico Counties, formed to operate a juvenile detention facility. Henrico as majority partner serves as the fiscal agent for the operation of the JRJDC. This arrangement eliminates the need for the Commission to duplicate various administrative functions related to personnel matters, procurement activities, and the management of accounting and budgeting efforts.

During a December 18, 2020, meeting, the Commission approved a budget submission, which reflects funding needed to operate the facility on a day-to-day basis. The operating budget for the JRJDC (excluding facility maintenance funding) totals \$5,583,976 for FY2021-22. This is an increase of \$49,234, or 0.9 percent, compared to the FY2020-21 approved budget. A wage adjustment for Henrico employees was initiated after the Commission approved the structure of the budget. As such, a vacancy savings factor is being used to account for the salary and benefit increases within this budget.

The budgets for operations and capital outlay remained level at \$671,381 and \$9,130, respectively. The capital outlay funding is for replacement of furniture, as well as medical and recreational equipment. Beginning in the FY2016-17 approved budget, \$100,000 of annual funding has been included to address increased maintenance needs as the facility ages.

In FY2021-22, the Commission will bill each participating locality their operating share based on the number of beds assigned in the 60-bed facility. Per the JRJDC agreement, Henrico has 52 beds and Powhatan and Goochland have 4 beds each. This allocation results in the Commission billing the participating localities for the operating costs at the following percentages: Henrico - 86.6 percent, Powhatan - 6.7 percent, and Goochland - 6.7 percent. The Commission anticipates that these locality contributions will be as follows: Henrico - \$3,451,620, Powhatan - \$267,041, and Goochland - \$267,041.

State aid for the Commission is estimated to be \$1,565,294 for FY2021-22. This figure is level with the estimate for FY2020-21 and is relatively unchanged from the amount of the State contribution in FY2001-02, the first full year of operations for the facility. As the State's funding formula depends in part on average daily population over a five-year span, future reductions in state funding are possible.

The Commission projects the use of \$132,980 of reserves as part of the budget for FY2021-22. While the Commission has often used this budgeting practice, actual use of reserves has been minimal.

JRJDC Agency Fund

As of June 30, 2020, the Commission had a balance of cash and cash equivalents equaling \$4,543,814. The amount of assets in reserve had remained relatively stable over the previous 10 years and grew markedly in FY2019-20.

It should be noted that staff at the JRJDC has successfully implemented new protocols in response to the COVID-19 pandemic, which have ensured the continued safety of staff and residents at the facility.

The following is a list of State aid to the Commission for the fiscal years that the JRJDC has been in full operation. As noted above, the projected FY2021-22 level of funding is little changed from that of FY2001-02, the first full year of operations for the facility.
