The Henrico Sheriff’s Office has a zero-tolerance policy for offender-on-offender sexual assault, abuse, sexual misconduct, or harassment. - Maintain the level of educational and vocational training programs in concert with mental health programs and services to the inmate population which improves their reintegration into society with an increased sense of self-worth, and marketable skills to lead productive and law-abiding lives.

BUDGET HIGHLIGHTS

The Sheriff’s Office budget for FY23 totals \$47,418,558, which represents an overall increase of \$1,976,634, or 4.3% compared to the FY22 approved budget. The personnel portion increased \$1,958,314 or 6.1% and includes one position to support technology at both jail locations, increases for health care and benefit costs, and a market-based salary increase.

The operating and capital components increased by \$18,320 or less than 1% in total for CAM rate changes, and items supporting the added technology position. The rest of the operating budget remains unchanged from the FY22 approved budget.

DEPARTMENTAL HIGHLIGHTS

The Sheriff's Office operates two separate jail facilities. Henrico County Regional Jail West, located in the western portion of the county, opened in 1980 and expanded in 1996. This maximum-security facility has a capacity of 521 inmates, housing both male and female inmates. The Sheriff and administrative staff are also at this location.

Henrico County Regional Jail East, located in New Kent County, was built in 1996 as a regional cooperation effort between Goochland, Henrico, and New Kent counties. The jail is operated by the Henrico County Sheriff's Office and has a capacity of 526 inmates. It houses male and female inmates in a barrier free environment between deputies and inmates. New Kent and Goochland counties reimburse Henrico County for the number of prisoner days used by their inmates each month. The jails also house State prisoners, typically serving sentences of less than one year. The State reimburses Henrico County for inmates held on their behalf, although the reimbursement does not capture the full cost of incarceration.

Jail Security staff maintain the safety and order in the facilities and move inmates throughout the facilities. Jail Services staff provide programs and services to the inmate population including recreation, mental health services, visitation, substance abuse services, and educational opportunities.

The focus of the Henrico County Sheriff's Office is the security of jail facilities and the level of services and programs offered to the inmate population. In addition to the GED certification, vocational classes in Automotive Technology, Computer Programming, and Cosmetology are offered to inmates with the assistance of Henrico County Public Schools to help their chances of gaining employment once they are released. Funding of \$805,000 is included in the budget for these courses. These services were suspended in early 2020 to maintain the life, health, and safety of inmates and staff due to COVID-19.

STUDENT BASIC JAILOR ACADEMY

The Sheriff's Office graduated the first student basic jailor academy in the summer of 2011. The academy trains students from Virginia Commonwealth University and Virginia Union University as Correctional Deputies. This program also awards students who complete the academy with college credit. After students complete the academy and are certified as Correctional Deputies they are used as Correctional Officers to reduce the need for deputies to work overtime, which reduces costs. The ninth student basic jailor academy, which had a total of 23 students enrolled, was completed in August 2019. This was presented at no cost to the enrolled students. Due to COVID the 2020 Student Academy was suspended. The last three academies have produced a total of 40 full-time deputies and 31 part-time correctional deputies.

COST SAVINGS INITIATIVE

The Sheriff executed two contracts in FY21 that are anticipated to reduce costs. The first, executed on August 13, 2020, is with a qualified vendor to provide a comprehensive and fully integrated system within the Henrico County Jail System that includes a Jail Management System, an inmate Telephone System, inmate Commissary Services, and an inmate Trust Accounting System. These systems include integrated networked kiosks, staff and inmate handheld electronic devices, and an inmate email system. The Sheriff's Office expects to reduce direct labor hours through the automation of current manual tasks such as intake, release, and depositing inmate funds. The second contract, executed on July 8, 2020, is with a qualified vendor to provide third party administrator inmate medical services for

the Henrico County Jail System. The Sheriff’s Office expects to reduce claims costs through increased utilization of Medicaid coverage as vendor management of this function was included in the contract.

The Sheriff’s Office has also begun more diversion efforts to decrease the inmate population, which will also result in cost savings. This would include home incarceration and GPS monitoring. These diversion efforts come with the assistance of Henrico County Judges and the Commonwealth’s Attorney’s Office.

The canteen service offers inmates’ families and friends an opportunity to purchase packs containing a variety of items year-round. In FY21, a total of \$343,920 in revenue was generated from the sales of secure packs a 150% increase over FY20. Commissary Fund proceeds primarily fund canteen services but are also used for approved operating costs.

Bondsmen and the public are now able to access basic inmate information via the internet. This saves manpower hours for questions related to jail inmate information. The site can be found at the following address: <http://www.henricosheriff.org/search/>.

STATE COMPENSATION BOARD

The State Compensation Board reimbursement is for salaries and benefits as well as a per diem rate for State responsible inmates only. In FY21, the actual overall percentage of jail operating costs (including personnel) paid by the State was 28.6 percent, 54.8 percent was paid by the County, and the remaining 16.6 percent was paid with various other departmental revenues. In the FY23 budget, it is estimated that the Henrico County Sheriff’s Office will receive 31.8 percent of funding from the State while the County will contribute 62.3 percent of funding the remaining 5.9 percent will be funded with departmental revenues.

The chart on the right shows the growth of the average daily inmate population and the number of State responsible inmates in the County’s jail over a ten-year period. State responsible inmates are any inmate that has been sentenced on all Henrico charges to felony time of greater than one year. The State reimburses a portion for these inmates in specific situations. In FY12, the average daily population totaled 1,138,

The chart to the left depicts the cost per inmate for the County and State as well as the overall cost per inmate over a ten-year period. These totals include both personnel and operating costs. In FY12 when the State Responsible inmates comprised 24% of the jail population the State contributed 35.8% of the cost per inmate. By FY21 the state contribution actually dropped to only 35.2% of the cost per inmate but the number of state responsible inmates almost doubled to 47% of the jail population resulting in a significant cost shifted to Henrico County residents.
