### RESIGNATION

110-08 Resolution - Resignation of Member - The Cultural Arts Center at Glen Allen Foundation Board of Directors.

On motion of Mr. Glover, seconded by Mr. Donati, and by unanimous vote, the Board approved Agenda Item No. 110-08 – see attached Resolution.

#### **PUBLIC HEARING ITEMS**

111-08 Resolution – Signatory Authority – Deed of Easement – County Parcel GPIN 765-752-4475 – Brookland District.

No one from the public spoke in opposition to this resolution.

On motion of Mr. Glover, seconded by Mr. Donati, and by unanimous vote, the Board approved Agenda Item No. 111-08 – see attached Resolution.

112-08 Resolution - Signatory Authority - Lease Agreement - TTM Virginia, Inc. - Three Chopt District.

In response to questions from members of the Board, Acting Director of Real Property Steve Price commented on the County's previous experience with TTM Virginia, Inc.; described the communications dish that would be located on County property by the company and how it would be attached to the existing water storage tank; and explained that Triton PCS, doing business as Cingular Wireless, already had a lease from the County for an array of towers on the tank. In response to a couple of questions from a member of the public, Jack Jaeger, Mr. Price confirmed that the County would be receiving a competitive price for the lease in comparison to other locations within the County and other localities within Virginia.

No one from the public spoke in opposition to this ordinance.

On motion of Mr. Donati, seconded by Mrs. O'Bannon, and by unanimous vote, the Board approved Agenda Item No. 112-08 – see attached Resolution.

113-08

Ordinance - To Amend and Reordain Section 17-63 Titled "Charges generally," Subsection (b) of Section 17-65 Titled "Overdue bills; discontinuance of service," Subsection (b) of Section 23-284 Titled "Overdue bills; discontinuance of service," Section 23-287 Titled "Customer set up charges," Subsections (b) and (c) of Sections 23-311 and 23-312 Titled "Water connection fees" and "Sewer connection fees," Respectively, and Subsection (a) of Sections 23-313 and 23-314 Titled "Water service and volume charges" and "Sewer service charges and rates," Respectively, of the Code of the County of Henrico, All to Change County Refuse Collection Fees and Utility Fees and Charges.

Mr. Kaechele noted that these fees, rates, and charges had been previously advertised and had been discussed by the Board during the budget work session. Mr. Donati stated that he felt the proposed \$123 charge for reconnecting water service after hours was a little excessive. He expressed concern about hardship cases such as those involving single mothers with several children who have not been able to pay their bill. Mr. Rapisarda and Mr. Hazelett confirmed for Mr. Kaechele that the existing reconnection charge was \$35. In response to questions from Board members, Mr. Petrini explained why staff was recommending the increase to \$123 for after hours reconnections, clarified that the charge during normal working hours would remain at \$35, noted that the County received approximately 20 requests per month for after hour reconnections, and explained his department's process for accepting payment and reconnecting service after hours. Mr. Glover said that he did not like the fact that a citizen calling for service during normal working hours would have to pay the higher after hours charge if staff was unable to respond during normal working hours. He suggested that the fee should continue at \$35 regardless of when the reconnection occurs. Mr. Petrini clarified for Mrs. O'Bannon that the fee was not intended to be punitive but was strictly based on the mathematics of the cost to the County.

Mr. Hazelett explained that the County works with many citizens who are behind in their water bill payments. He reiterated that the proposed \$123 charge had been mathematically calculated through a Department of Public Utilities study but acknowledged that if the Board chose not to approve the higher charge the budgetary impact would only be \$21,000. Mr. Hazelett pointed out that he had personally approved reconnections after hours based on conversations with individuals and the hardships they were experiencing. Mrs. O'Bannon observed that the side effect of the higher after hours charge would be to discourage citizens from trying to get a reconnection after hours. In response to further questions from Board members, Mr. Petrini clarified that the fee for late payment of water bills is \$1.00 and is not related to the reconnection charge, acknowledged that his department is not penalized for responding to calls for reconnection service after hours if the calls are received during normal working hours, explained that his department has an on-call crew to handle reconnection requests after hours, and

confirmed that all requests to reconnect service after hours are accommodated as long as the customer pays the reconnection fee by credit card. Mr. Glover stated he agreed with Mr. Donati that the proposed higher reconnection charge would amount to a penalty. Mr. Donati reiterated his concerns with the higher charge. Mrs. O'Bannon reiterated that the much higher charge proposed for after hour reconnections indirectly signals to customers that the Department of Public Utilities does not want to go out after dark to reconnect their service.

Mr. Hazelett acknowledged that \$123 is excessive but that it is the calculated cost of the service. He pointed out that most of the calls for service after hours come from people who arrive home from work and realize that their water is not on. Mrs. O'Bannon asked if staff had done any analysis for a smaller increase in the reconnection fee. Mr. Petrini said that as far as he was concerned any figure the Board came up would be fine with him. Mr. Petrini also noted that in Section 23-284 of the proposed ordinance, subsection "(c)" should be corrected to read subsection "(b)".

No one from the public spoke in opposition to this ordinance.

By unanimous vote, the Board approved a motion of Mr. Donati, seconded by Mr. Glover, to amend Agenda Item No. 113-08 to eliminate the proposed \$123 reconnection charge. On motion of Mr. Donati, seconded by Mr. Glover, and by unanimous vote, the Board approved Agenda Item No. 113-08 as amended – see attached amended Ordinance.

Ordinance - To Amend and Reordain Subsection (f) of Section 20-72 of the Code of the County of Henrico Titled "Elderly or permanently and totally disabled persons - Affidavit or written statement," to Extend the REAP Deadline for First-time Applicants or in Hardship Cases from October 31 to December 31 of the Taxable Year.

In response to questions from Board members, Director of Finance John Vithoulkas and Mr. Hazelett clarified that the tax year is a calendar year, that tax relief for first-time applicants would be retroactive to January 1 of the year in which they apply, that some first-time applicants would receive a tax refund, and that April 1 would continue to be the deadline for non-hardship cases and applicants already in the program.

No one from the public spoke in opposition to this ordinance.

On motion of Mr. Glover, seconded by Mrs. O'Bannon, and by unanimous vote, the Board approved Agenda Item No. 114-08 – see attached Ordinance.

115-08 Resolution – Real Estate Tax Levies, 2008.

In response to a question from Mr. Kaechele, Mr. Vithoulkas confirmed that a surcharge for street lights applies to citizens residing in the five sanitary districts and that the amount of this surcharge, which was reduced by the Board a few years ago, varies among districts. Mr. Kaechele noted that the main thrust of this resolution was to set the tax rate at the current rate of \$0.87 per \$100 of assessed valuation.

No one from the public spoke in opposition to this resolution.

On motion of Mrs. O'Bannon, seconded by Mr. Donati, and by unanimous vote, the Board approved Agenda Item No. 115-08 – see attached Resolution.

Resolution - Personal Property, Aircraft, Manufactured Homes, Qualifying Vehicles Owned or Leased by Members of a Volunteer Rescue Squad or Volunteer Fire Department, Disabled Veterans' Vehicles, Motor Vehicles Specially Equipped to Provide Transportation for Physically Handicapped Individuals, Machinery and Tools, and Machinery and Tools for Semiconductor Manufacturers Tax Levies, 2008.

Mr. Hazelett reiterated that the only proposed change from existing rates was a reduction from \$0.55 to \$0.40 cents per \$100 of assessed valuation for machinery and tools used in semiconductor manufacturing.

No one from the public spoke in opposition to this resolution.

On motion of Mr. Donati, seconded by Mrs. O'Bannon, and by unanimous vote, the Board approved Agenda Item No. 116-08 – see attached Resolution.

### **GENERAL AGENDA**

96-08 Resolution - Adoption of Operating and Capital Annual Fiscal Plans For Fiscal Year 2008-09 and Allocation of Car Tax Relief for Tax Year 2008.

Mr. Hazelett advised the Board that staff had prepared a substitute resolution that accounted for Henrico's reduction in State aid to localities. The State Biennial Budget included a \$50 million reduction in aid to localities and Henrico's portion was \$1,526,050. These reductions impacted the General and Special Revenue Funds. The differences between the original and the substitute resolution were:

- (1) The Estimated General Fund Operating Resources and Expenditures were being reduced by \$1,419,807. This reduction would reduce the General Fund resources and requirements from \$767,065,264 to \$765,645.457; and
- (2) The Estimated Special Revenue Fund Operating Resources and Expenditures were being reduced by \$106,243. This reduction would

reduce the Special Revenue Fund resources and requirements from \$111,066,610 to \$110,960,367.

In response to questions from Board members, Mr. Hazelett confirmed that the reductions would have no effect on the County's capital budget and that this \$1.5 million reduction was in addition to a State reduction the previous fall of approximately \$860,000.

On motion of Mr. Glover, seconded by Mr. Donati, and by unanimous vote, the Board approved Mr. Glover's motion to substitute Resolution 96A-08 for 96-08. The vote of the Board was as follows:

Aye Nay Absent
David A. Kaechele Frank J. Thornton
Patricia S. O'Bannon
James B. Donati, Jr.
Richard W. Glover

On motion of Mrs. O'Bannon, seconded by Mr. Donati, and by unanimous vote, the Board approved Agenda Item No. 96A-08 – see attached Substitute Resolution.

117-08 Resolution – Award of Contract – Facilities Assessment, Division of Fire.

In response to a question from Mr. Kaechele, Director of General Services Paul Proto confirmed that this contract would address strictly a facilities study.

On motion of Mrs. O'Bannon, seconded by Mr. Donati, and by unanimous vote, the Board approved Agenda Item No. 117-08 – see attached Resolution.

118-08 Resolution – Acceptance of Donation from Remington Arms Company, Inc.

In response to a question from Mr. Kaechele, Sheriff Michael Wade noted that the three tactical surveillance kits had an estimated value of \$5,000 each.

On motion of Mr. Glover, seconded by Mrs. O'Bannon, and by unanimous vote, the Board approved Agenda Item No. 118-08 – see attached Resolution.

119-08 Resolution – Acceptance of Roads.

On motion of Mr. Donati, seconded by Mrs. O'Bannon, and by unanimous vote, the Board approved Agenda Item No. 119-08 – see attached Resolution.

Mr. Glover complimented Mr. Hazelett and his staff for their work on the budget and great fiscal management.

There being no further business, the meeting was adjourned at 8:15 p.m.

For practical purposes in mailing tax bills and to fulfill the requirements of the Code of Virginia, Section 22.1-93, "Approval of Annual Budget for School Purposes", the rate should be fixed prior to May 1, 2008. The Director of Finance recommends approval of this Board paper and the County Manager concurs.
