PUBLIC COMMENTS

Veronica Smith, a resident of the Varina District, raised concerns regarding misdemeanor summonses she has received pursuant to the County’s animal control ordinance as the custodian of a dog running at large. Mr. Nelson noted he and Mr. McDowell have both spoken with Ms. Smith regarding her unique situation, and he is not certain what the County can do to assist her. At Mr. Nelson’s request, Mr. McDowell brought the Board up to date on this matter. Mr. Rapisarda clarified the County Code provision addressing dogs running at large and pointed out it tracks what State law enables the County to do. He further pointed out once a complaint enters the legal system and judicial arena it is out of the County administration’s and Board’s control. Mr. Nelson asked Mr. Vithoulkas to double-check the language in the County code to verify it mirrors State law. Mr. Rapisarda confirmed for Mr. Nelson that if a citizen wants to see the State Code changed, she or he needs to lobby her or his State legislator. Mr. Thornton commented that some of his constituents have experienced issues pertaining to the animal control ordinance and maybe it is time for the Board to look at the ordinance to see if any changes should be suggested. Mr. Vithoulkas advised the Board that staff will bring this matter to the Board for consideration at a future work session. Mr. Thornton said he learned from the National Association of Counties (NACo) that Northern Virginia localities are encountering new animals that are being kept as pets and the County needs to keep its antennae open for some of these trends in light of the County’s urbanization. Mr. Rapisarda cited the statute in the State Code that allows local governing bodies to prohibit dogs from running at large and defines how localities are to deem that dogs are running at large. Mr. Nelson informed Ms. Smith that he will try to help her bring her concerns to State legislators.

Hernan Bravo, a resident of the Fairfield District, inquired about the status of Belmont Golf Course and proposed putting a trail around the southern part of the course for recreational and educational uses. At Mr. Nelson’s request, Recreation and Parks Director Neil Luther responded to Mr. Bravo’s inquiry and proposal. Mr. Luther advised Mr. Bravo and the Board that his department will host open community input sessions to discuss ideas and concepts for Belmont. Nearby owners and other interested parties will receive a mailing from the County with information about the meetings. Mr. Thornton noted he has met with Mr. Bravo on this matter. He acknowledged rumors have been circulating in the community relating to the future of Belmont, but assured Mr. Bravo residents will be included in the discussions.

Rusty Tutton, a district coordinator for Congresswoman Abigail Spanberger, pointed out Congresswoman Spanberger enjoyed recently meeting with Board members and is interested in keeping open the lines of communication with the County. He also updated the Board on Congresswoman Spanberger’s committee and subcommittee assignments, explained the various constituent services offered by her Glen Allen office, and provided contact information for both her Glen Allen and D.C. offices.

GENERAL AGENDA

Mr. Vithoulkas responded to a question from Mrs. O’Bannon regarding use of the County’s fund balance to pay for a portion of the County’s snow
removal costs. Mr. Vithoulkas assured Mrs. O'Bannon and the Board that an appropriation from gasoline tax revenues included in these amendments to help cover these costs will not impede road pavement projects planned for the spring. Eric Leabough, Housing Specialist, responded to questions from Mr. Nelson pertaining to an appropriation for Laburnum Gateway and Highland Springs Revitalization initiatives. Mr. Luther responded to a question from Mr. Nelson relating to the status of the Dorey Park access road.

On motion of Mrs. O'Bannon, seconded by Mr. Thornton, and by unanimous vote, the Board approved this item – see attached introduction of resolution.

Resolution - Award of Contract - Interior Door Replacements - Courts Building - Brookland District.

On motion of Mrs. O'Bannon, seconded by Mr. Schmitt, and by unanimous vote, the Board approved this item – see attached resolution.

Resolution - Signatory Authority - Contract Amendment for Architectural and Engineering Services - Mental Health and Developmental Services East Clinic - Varina District.

John Neal, Director of General Services, responded to a question from Mrs. O'Bannon.

On motion of Mrs. O'Bannon, seconded by Mr. Thornton, and by unanimous vote, the Board approved this item – see attached resolution.

Resolution - To Initiate Study of Land Use Designation in the 2026 Comprehensive Plan - Bridlewood Subdivision - Three Chopt District.

On motion of Mr. Schmitt, seconded by Mrs. O'Bannon, and by unanimous vote, the Board approved this item – see attached resolution.

Resolution - Award of Contract - Dunncroft/Castle Point Park Spray Park - Brookland District.

On motion of Mr. Schmitt, seconded by Mrs. O'Bannon, and by unanimous vote, the Board approved this item – see attached resolution.

Resolution - Acceptance of Roads - Fairfield, Three Chopt and Tuckahoe Districts.

On motion of Mrs. O'Bannon, seconded by Mr. Thornton, and by unanimous vote, the Board approved this item – see attached resolution.

Mr. Vithoulkas clarified for Mr. Thornton that any contract amendments in excess of 15 percent for County projects must come to the Board of Supervisors for approval.
There being no further business, the meeting was adjourned at 8:12 p.m.
