**PUBLIC COMMENTS**

John Owens, a resident of the Brookland District, asked the Board to support the City's vision for the Flying Squirrels only if there will be a parking deck large enough to accommodate fans. He also asked the County to consider more funding for the transit system instead of a baseball stadium.

Trevor Taylor, a resident of the Three Chopt District, asked the Board to look at increased salaries for clerks in the Juvenile and Domestic Relations District Court because of high turnover and staff vacancies at the court. Mr. Branin stated that the Board is aware of the situation and has raised it with state legislators.
