PLAN OF DEVELOPMENT (*Deferred from the May 24, 2000, Meeting*)

POD-36-00
Colonial Mechanical
Corporation - Ackley
Avenue

Bay Design Group, P.C. for Colonial Mechanical Corporation: Request for approval of a plan of development as required by Chapter 24, Section 24-106 of the Henrico County Code to construct a one-story, 79,200 square foot sheet metal fabrication shop, a one-story 3,500 square foot service facility, a 28,500 square foot office and a two-story, 8,000 square foot office. The 16.65 acre site is located at the northeast terminus of Ackley Avenue approximately 1,300 feet north of its intersection with Parham Road on part of parcel 61-A-75. The zoning is M-1C, Light Industrial District (Conditional), M-1, Light Industrial District and C-1, Conservation District. County water and sewer. **(Brookland)**

The staff recommends approval subject to the annotations on the plans, the standard conditions for developments of this type, and the following additional conditions:

23. The developer shall provide fire hydrants as required by the Department of Public Utilities in its approval of the utility plans and contracts.
24. Any necessary off-site drainage easements must be obtained in a form acceptable to the County Attorney prior to final approval of the construction plans by the Department of Public Works.
25. Deviations from County standards for pavement, curb or curb and gutter design shall be approved by the County Engineer prior to final approval of the construction plans by the Department of Public Works.
26. Insurance Services Office (ISO) calculations must be included with the utilities plans and contracts and must be approved by the Department of Public Utilities prior to the issuance of a building permit.
27. Approval of the construction plans by the Department of Public Works does not establish the curb and gutter elevations along the Henrico County maintained right-of-way. The elevations will be set by Henrico County.
28. Dedication of the 316 foot portion of Ackley Avenue in front of the site shall be recorded prior to the issuance of a certificate of occupancy.
29. All manufacturing and fabricating operations shall be conducted entirely within the enclosed building and the loading doors and other exterior doors during such operation shall remain closed.
