The Board of Supervisors accepted the following proffered conditions which further regulate the above described property in addition to all applicable provisions of Chapter 24, Code of Henrico (Zoning Ordinance):

APPLICABLE TO ALL PARCELS

1. **Architectural Treatment.** The exposed portions of the exterior wall surfaces (front, rear and sides) of any buildings constructed on the Property shall be similar in high quality of construction, compatible architectural design (incorporating compatible design elements and color), architectural style and use of compatible construction materials. All buildings constructed on the Property shall have exposed exterior walls (above finished grade) constructed primarily of face brick and glass and may have varying amounts of dryvit, stucco if applied to a masonry surface, or an equivalent permanent architecturally finished material, unless different architectural treatment and/or materials are requested by the owner and specifically approved by the Planning Commission at the time of Plan of Development review. Wood siding, natural stone, marble, pre-cast or cast-in-place architectural concrete, exposed aggregate concrete, exterior insulating finish systems, and/or glass, or an equivalent, permanent, architecturally finished material may be utilized as accent materials. No building shall be covered with or have exposed to view any painted or unfinished concrete block, sheet or corrugated aluminum, iron and/or steel or other materials unless otherwise requested by the owner and specifically approved by the Planning Commission at the time of Plan of Development review. Roof design shall be implemented so as to minimize building mass and offer variations in building appearance. Prior to

approval of a Plan of Development for any building to be constructed on the Property, an architectural elevation of the principal medical office building to be developed on Parcel C of Case No. C-68C-95 (West Side of Lauderdale Drive) shall be submitted with such Plan of Development, such architectural elevation being of sufficient detail as to architectural style, exterior color and materials so as to enable the Planning Commission to determine whether or not there is compatibility compliance herewith.

1 Buffer Areas.

- a. Landscaped and/or natural buffer areas and/or berms shall be provided along the boundaries of the Property as set forth below, except to the extent necessary or allowed for entrance drives, sidewalks, utility easements, grading, fencing and signage and other purposes requested and specifically approved, or if required, by the Planning Commission at the time of Plan of Development review:
- i) Fifty (50) feet in width parallel and adjacent to the West Broad Street right-of-way;
 - ii) Fifty (50) feet in width parallel and adjacent to the Lauderdale Drive right-of-way;
 - iii) Thirty-five (35) feet in width along the eastern boundary of the Property adjacent to property zoned A-1, B-3 and R-5C; and
 - iv) Fifty (50) feet in width parallel and adjacent to the Three Chopt Road right-of-way.

All such buffer areas shall be maintained in accordance with high standards which shall be established in Protective Covenants governing the Property. Any dead, diseased or fallen trees and vegetation shall be replaced as required.

- b. Any entrance drives within the buffers set forth above shall be extended generally perpendicular to the buffer area unless otherwise requested and specifically approved, or if required, by the Planning Commission at the time of Plan of Development review.

3. Building Height.

- a. Parcel B: No building constructed on Parcel B shall exceed the lesser of two (2) stories or thirty-eight (38) feet in height

above grade to the midline of the roof, exclusive of mechanical equipment, penthouses associated therewith, chimneys, towers or other architectural design features, unless otherwise requested by the owner and specifically approved by the Planning Commission at the time of Plan of Development review.

- b. Parcel C: No building constructed on Parcel C shall exceed the lesser of four (4) stories or sixty-eight (68) feet in height above grade to the midline of the roof, exclusive of mechanical equipment, penthouses associated therewith, chimneys, towers or other architectural design features, unless otherwise requested by the owner and specifically approved by the Planning Commission at the time of Plan of Development review.
4. Site Coverage. No more than seventy (70) percent of the Property in the aggregate may be covered by buildings, parking areas and driveways.
5. Parking Lot Lighting. Parking lot lighting fixtures shall not exceed twenty (20) feet in height as measured from the grade at the base of the lighting standard, unless otherwise requested, described and specifically approved, or if required, by the Planning Commission at the time of Plan of Development review or by any other governmental body. Lighting shall not exceed one-half (1/2) foot candle at the boundaries of the Property. Except for decorative or period style lighting fixtures or landscape lighting, parking lot lighting shall be produced from concealed sources of light.
6. Sidewalks and Pedestrian Access Ways. Subject to obtaining all required governmental easements-, approvals and permits, a standard size pedestrian sidewalk shall, concurrent with the development of any portion of the Property, be installed in accordance with County standards in the County's right-of-way along the eastern right-of-way line of Lauderdale Drive and the northern right-of-way line of Three Chopt Road, if requested by the County at the time of Plan of Development review. Pedestrian access ways between major project areas shall be provided in a manner approved by the Planning Commission at the time of Plan of Development review.
7. Access. Vehicular access to the Property shall be limited to no more than one (1) on West Broad Street, one (1) on Lauderdale Drive and one (1) on Three Chopt Road unless otherwise requested and specifically approved, or if required, by the County and/or any other governmental body.
8. Original Conceptual Master Plan. The layout of buildings on the Property shall be in substantial conformity with the Conceptual Master Plan prepared for Bon Secours-Richmond Health System, Inc., by Odell Associates, dated

February, 28, 1997, a copy of which is attached hereto as Exhibit A, (see case file) subject, however, to such traffic, engineering and other changes as may be requested by the County or owner and specifically approved by the Planning Commission at the time of Plan of Development review. This provision does not prohibit future modifications in the development of the Property, but such future modifications shall be consistent with the other provisions of these proffers and the County Code as same may be amended from time to time; provided, however, the portion of Parcel B at the intersection of West Broad Street and Lauderdale Drive shown on Exhibit A (see case file), as an open, landscaped area shall remain as an open, landscaped area as shown on Exhibit A (see case file) and shall not be utilized for building or parking purposes.

9. Updated Conceptual Master Plan. A conceptual master plan showing the coordinated planned development scheme for roads, driveways, utilities and buffers for the entire Property shall be filed with the Planning Commission at the time of the first Plan of Development review and approval by the Planning Commission and will be updated with each Plan of Development thereafter.
10. Protective Covenants. Prior to or concurrent with the conveyance of any part of the Property covered by a Plan of Development approved by Henrico County (other than for the conveyance of easements, roads, or utilities), the owner of the portion of the Property covered by such Plan of Development, or its successors and assigns, shall record a document in the Clerk's Office of the Circuit Court of Henrico County, Virginia, setting forth controls on the quality and type of development of such portion of the Property. The covenants shall also provide for high standards of uniform maintenance (consistent with Office and commercial "Class A" projects) of individual sites, common areas, open spaces, landscaping and private streets, and provide for minimum development and operational standards for each site.
11. Trash Removal. Trash pick up from the Property shall be limited to the hours between 7:00 a.m. and 8:00 p.m., Monday through Friday and between 9:00 a.m. and 8:00 p.m. on Saturday. No trash receptacles shall be placed within one hundred (100) feet (i) of the southern boundary of the Property, or (ii) adjacent to the property on the east zoned R-5C.
12. Trash Receptacles. Dumpsters and trash receptacles, not including convenience cans, shall be screened from public view at ground level in a manner approved by the Planning Commission at the time of Plan of Development review.
13. Underground Utilities Lines. Except for junction boxes, meters and existing overhead utility lines and wetlands, if any, all utility lines shall be underground.

14. Gravel. Gravel shall not be used as a primary landscaping material.
15. Entertainment. There shall be no live outside entertainment on the Property.
16. Architectural Control Committee. There shall be an Architectural Control Committee to govern the development of the Property and the Wellesley Homeowners Association, Inc. shall be entitled to appoint one voting member to serve on this committee.
17. Chain Link Fence. No chain link fencing shall be permitted on the Property within view from West Broad Street, Lauderdale Drive, Three Chopt Road and the eastern boundary of the Property adjacent to property zoned A-1, B-3 and R-5C unless otherwise requested and specifically permitted, or if required, by the Planning Commission at the time of Plan of Development review.
18. Irrigation. Landscaped buffers parallel to West Broad Street, Lauderdale Drive and Three Chopt Road shall be served by an underground irrigation system.
19. Severance. The unenforceability, elimination, revision or amendment of any proffer set forth herein, in whole or in part, shall not affect the validity or enforceability of the other proffers or the unaffected part of any such proffer.

APPLICABLE TO B-2 PARCEL A

20. Use Restrictions. Parcel A shall be used as a landscaped area with the only development permitted thereon being entrance walls and/or gateways, landscaping, ground or wall-mounted non-commercial project identification signage as permitted in a B-2 District, and if required, sidewalks, utilities and other uses as permitted in a C-1 District and specifically approved by the Planning Commission at the time of Plan of Development review.

APPLICABLE TO B-2 PARCEL B

21. Use Restrictions. The following uses shall not be permitted on Parcel B:
 - a. A facility for the sale or display of pornographic material (as determined by community standards for the area in which the Property is located);
 - b. Dance halls;
 - c. Flea markets and antique auctions;
 - d. Gun shop, sales and repairs;
 - e. Automobile sales, parts, rental, repair, service or towing services;
