Re: Conditional Rezoning Case C-41C-97

Mr. Walter L. Hooker, President
Omicron Corp.
6800 Paragon Place
Richmond, VA 23230

Dear Mr. Hooker:

The Board of Supervisors at its meeting on July 9, 1997 granted your request to amend proffered conditions on Conditional Rezoning Case C-63C-94, being Parcel 53-A-5.

The following substitute proffered conditions accepted by the Board of Supervisors, further regulate the use of your property in addition to all applicable provisions of Chapter 24, Code of Henrico (Zoning Ordinance). Only Proffers 1 and 2 were amended and Proffer 7 deleted from that which was originally accepted with C-63C-94. The new proffered conditions are as follows:

1. **PROTECTIVE CONVENANTS** - Prior or concurrent with the recordation of a subdivision plat approved by the County and before the conveyance of any portion of the Property covered by said subdivision plat (other than for the dedication of easements, roads or utilities), there shall be recorded a document in the Clerk's Office of the Circuit Court of Henrico County, Virginia setting forth controls on the development and maintenance of such portions of the Property. Such controls shall include the provision for all driveways to be constructed of hard surface materials such as asphalt, concrete, brick pavers, cobblestones, or similar materials.
2. **FOUNDATIONS** - All exposed exterior portions (above grade) of the foundations of each dwelling constructed on the Property shall be of brick or stone. Any front entrance steps shall be constructed of either brick, stone, or wood with brick pillars. Porches shall be constructed with brick pillars.
3. **FIREPLACES** - All coal burning or wood burning fireplaces must have brick or stone chimneys; gas or ornamental fireplaces may be wall-vented with no chimneys as allowed by applicable building codes, provided, however, such vented enclosures shall not be cantilevered and must have a base to match the foundation.
4. **UTILITIES** - Each dwelling constructed on the Property must be connected to and be served by public water and sewer facilities.
5. **PROHIBITED USES** - No trailer, tent, garage, barn or other outbuilding erected on any lot shall, at any time, be used as a residence either temporarily or permanently.

Mr. Walter L. Hooker, President
Omicron Corp.

C-41C-97

2

6. **BUFFERS** - (a) For purposes of lessening the visual impact of Interstate 95 and Telegraph Road from adjacent single family, detached homes, a minimum buffer area of twenty-five (25) feet abutting 1-95 and twenty (20) feet abutting Telegraph Road consisting of berms, landscaped or natural area, or a combination thereof, will be provided on the single family zoned portion of the Property along the eastern and western portions of the Property, except to the extent required for utilities easements, signage, nature trails, or access to and from public or private rights-of-way and other purposes requested and specifically permitted, or required by the Planning Commission at the time of Plan of Development and/or Subdivision review or by any other governmental body or agency.
 - (b) Any utility easements or other uses permitted within the aforesaid buffer area shall extend generally perpendicular to the buffer area, unless otherwise requested and specifically permitted or if required by the County at the time of Plan of Development and/or Subdivision review and, where permitted, areas disturbed for utility installation shall be restored to the extent reasonably practicable.
 - (c) The aforesaid buffers shall be provided and maintained by the owners of the Property.
7. **HOUSE SIZE** - Each dwelling constructed on the Property shall meet the minimum requirements for finished floor area applicable to dwellings constructed in an R-3 zoning district.
8. **SEVERANCE** - The unenforceability, elimination, revision or amendment of any proffer set forth herein, in whole or in part, shall not affect the validity or enforceability of the other proffers or the unaffected part of any such proffer.

The Planning Office has been advised of the action of the Board of Supervisors and will revise its records and place a copy of the accepted proffered condition in the Conditional Zoning Index.

Sincerely,

Virgil R. Hazelett, P.E.,
County Manager
