k) Public dancehalls;
l) Rifle or pistol range;
m) Sexually oriented businesses;
n) Bars and taverns;
o) Child care centers; and
p) Restaurants.

5. **Architecture Treatment.** The exposed portion of each exterior wall surface (front, rear and sides) of buildings constructed on the Property (excluding rooftop screening materials of mechanical equipment) shall be similar to the exposed portions of other exterior wall surfaces of such building in architectural treatment and materials. All buildings constructed on the Property shall have exposed exterior walls (above finished grade) of either or a combination of brick, dryvit, and glass unless different architectural treatment and/or materials are specifically approved with respect to the exposed portion of any such wall surface at the time of Plan of Development review. No building walls on the Property shall be covered with or have exposed to view any sheet or corrugated aluminum or metal, exposed aggregate concrete, unpainted or unfinished concrete masonry units or asbestos unless otherwise specifically requested and approved at the time of Plan of Development review. The exterior walls facing Three Chopt Road and Parham Road shall be constructed with architectural designs or features which provide visual relief from the expanse of the wall. Columns associated with the building shall be constructed of brick.

6. **Loudspeakers.** No outside pagers or loudspeakers, which can be heard beyond the boundaries of the Property, shall be permitted on the Property; however, an intercom system associated with a drive-through window shall be permitted. No external alarm, bells or external warning devices shall be permitted.

7. **Alcohol and Lottery Sales Prohibited.** The sale of alcoholic beverages and lottery tickets shall not be permitted on the Property.
8. **Underground Stormwater Facility.** The stormwater management facility serving the B-2 district shall be constructed underground.

9. **Access Restrictions.** Access to the Property shall be limited to one access onto Three Chopt Road and one access onto Parham Road. No access shall be permitted onto Tuckaway Lane.

10. **Buffers.**

   a. A natural and/or landscaped buffer a minimum of fifty (50) feet in width shall be provided along the western Property line adjacent to Tuckaway Lane. The major portion of the landscaping shall include evergreen shrubs and trees, including but not limited to leyland cypress and hollies. A wood fence a minimum of eight (8) feet in height shall be provided along the western Property line adjacent to Tuckaway Lane and shall be situated fifty (50) feet from the western Property line.

   b. An irrigated landscaped buffer a minimum of fifteen (15) feet shall be provided along the Property line of the B-2 district adjacent to Three Chopt Road extending from the intersection at Parham Road for a distance of approximately 130 feet, then a minimum of ten (10) feet for a distance of approximately 110 feet and then a minimum of fifteen (15) feet for a distance of approximately 154 feet and shall be landscaped in a manner approved by the Planning Commission at the time of plan of development review.

   c. An irrigated landscaped buffer a minimum of twenty-five (25) feet shall be provided along the Property line adjacent to Parham Road from the south corner of the Property extending along the frontage toward Three Chopt Road for a distance of approximately 200 feet.

The landscaped buffer areas along Parham Road and Three Chopt Road in the B-2 district of the Property which are less than twenty-five (25) feet in width shall be landscaped in accordance with the quantity of plantings as required in a Transitional Buffer 25 in §24-106.2 of the Henrico County Zoning Ordinance.

11. **Conceptual Plan.** The Property shall be developed substantially in accordance with the conceptual plan prepared by Balzer and Associates, Inc., dated April 11, 2000, revised April 14, 2000 subject to required engineering changes.

12. **Sidewalks.** Sidewalks shall be constructed along the Three Chopt Road and Parham Road frontage of the property and shall be placed in the right-of-way where possible.

13. **Freestanding Signs.** Freestanding signs on the B-2 portion of the Property shall be of a monument type design with a brick base and shall not exceed ten (10) feet in height.
14. **Severance.** The unenforceability, elimination, revision or amendment of any proffer set forth herein, in whole or in part, shall not affect the validity or enforceability of any of the other proffers or the unaffected part of any such proffer.

The Planning Office has been advised of the action of the Board of Supervisors and will revise its records and place a copy of the accepted proffered conditions in the Conditional Zoning Index.

Sincerely,

Virgil R. Hazelett, P.E.,
County Manager
