The Board of Supervisors accepted the following proffered conditions, dated September 11, 2000, which further regulate the above described property in addition to all applicable provisions of Chapter 24, Code of Henrico (Zoning Ordinance):
1. **Landscaped Greenbelt**: A thirty-(30) foot landscaped greenbelt shall be provided adjacent to the right-of-way line of Shady Grove Road. Exceptions allowed within the greenbelt area shall include utility easements, signage, fences, entrance roads to the project, and other purposes requested and specifically permitted or required by the Planning Commission at the time of subdivision approval. Any new utility easements shall be perpendicular through the greenbelt. This greenbelt shall be in addition to the existing setback requirements. The design for the greenbelt shall be done in conjunction with and shall be compatible to the greenbelt proffered in Zoning Case No. C-39C-00.

2. **Underground Utilities**: Except for junction boxes, meters and existing overhead utility lines and technical or environmental reasons, all utility lines shall be underground.

3. **Driveways**: No driveways serving individual dwellings shall have direct access to Shady Grove Road.

4. **Foundations**: The exterior foundation of any dwelling constructed on the property shall be brick or stone; however, foundations may be constructed of exterior insulating finish systems (E.I.F.S.) if applied to a masonry surface, provided that the exterior walls of such residence are sided primarily in E.I.F.S. This will apply to future conversions or additions that are enclosed and intended for year-round use.

5. **Protective Covenants**: Prior to or concurrent with the recordation of a subdivision plat approved by the County and before the conveyance of any portion of the Property covered by said subdivision plat (other than for the dedication of easements, roads or utilities), restrictive covenants describing development controls and maintenance of the Property shall be recorded in the Clerk’s Office of the Circuit Court of Henrico County. The County of Henrico shall not be responsible for enforcing these restrictive covenants. The provisions in such documents shall identify and set forth the requirements of all proffered conditions. Those provisions shall also include the following requirements: A landscaping package of a minimum of $650 per dwelling, standardized mailboxes and lampposts, exposed aggregate sidewalks to all homes, two car garages (may be converted to living space), sod in front yard, twenty-five year dimensional shingles on the roof, hard-surface driveways (asphalt, concrete, etc), gutters and downspouts, and irrigation in the front and side yards.

6. **Square Footage**: Residences shall have a minimum of 2,300 square feet of finished floor area.

7. **Chimneys**: No chimneys or gas vent units shall be cantilevered. The exposed portions of all fireplace chimneys shall be of brick or a siding similar to the exterior treatment of the dwelling. This proffer shall not apply to direct vent gas fireplaces or appliances. The exposed bases of all chimneys shall be of the same material as the dwelling foundations.
8. **Garages:** Not more than six (6) dwellings shall have garage doors on the front of the home.

9. **Density:** The maximum density of this development shall not exceed 2.3 units per acre.

10. **Lot Widths:** No lot shall be less than Eighty-five (85) feet wide at the minimum front yard depth, and no more than five (5) lots shall be less than Ninety (90) feet wide at the minimum front yard depth. On cul-de-sac lots, the lot width shall be measured at the actual building line, not the minimum front yard depth.

11. **Fencing Along Shady Grove Road:** A decorative fence with brick or stone accents shall be provided along Shady Grove Road with the appearance to be approved during subdivision review.

12. **Sidewalks:** Sidewalks shall be provided adjacent to Shady Grove Road and shall be constructed to the County of Henrico’s Standards and Specifications for sidewalks.

13. **Connection to Adjacent Property:** A stub road shall be provided to Parcel No. 10-A-17A at a location to be determined in conjunction with the developer of said parcel and County of Henrico staff.

13. **Severance:** The unenforceability, elimination, revision or amendment of any proffer set forth herein, in whole or in part, shall not affect the validity or enforceability of the other proffers or the unaffected part of any such proffer.

The Planning Office has been advised of the action of the Board of Supervisors and will revise its records and place a copy of the accepted proffered conditions in the Conditional Zoning Index.

Sincerely,

Virgil R. Hazelett, P.E.,
