The Board of Supervisors accepted the following proffered conditions, dated April 14, 2004, which further regulates the above described property in addition to all applicable provisions of Chapter 24, Code of Henrico (Zoning Ordinance):

**APPLICABLE TO R-2AC DISTRICT**

1. **Access.** The primary access to the Property shall be from Hunton Park Boulevard.

2. **Minimum House Size.** Homes constructed on the Property shall be a minimum of 3000 square feet of finished floor area.

3. **Minimum Lot Sizes.** The minimum lot area shall be 13,500 square feet and minimum lot widths shall be ninety (90) feet.

4. **Fireplace Chimneys.** All exterior portions of fireplace chimneys shall be enclosed by brick or stone. All bay windows, closets, fireplace chimneys and gas vents shall be built on brick or stone foundations. Gas or ornamental fireplaces may be wall-vented within chimneys, however, such vented enclosures shall not be cantilevered and must have a base to match the foundation.

5. **Foundations.** The exterior portions of the residence foundations shall be constructed of brick or stone.
6. **Restrictive Covenants.** Prior to or concurrent with the recordation of the subdivision plat approved by the County and before the conveyance of any portion of the property covered by said subdivision plat (other than for the dedication of easements, roads or utilities) there shall be recorded a document in the Clerk’s office of the Circuit Court of Henrico County, Virginia setting forth quality controls on the development, provisions for the maintenance of all portions of the Property and requiring the establishment of a homeowners association.

7. **Underground Utilities.** Except for junction boxes, meters and existing overhead utility lines, and technical or environmental reasons, all utility lines shall be underground.

8. **Paved Parking.** The restrictive covenants shall contain a requirement that all driveways on each individual subdivision lot shall be paved within six (6) months following receipt of a certificate of occupancy. The type of pavement may include asphalt, concrete, aggregate materials, and brick or stone pavers.

9. **Stoops.** Stoops and steps provided for front entry to homes shall be constructed on foundations of stone or brick, including country style porches.

10. **Mailboxes.** Each home shall have a standard mailbox substantially similar to other mailboxes on the Property as approved by the Homeowners Association.

11. **Satellite Dishes.** No satellite dishes larger than 18” in diameter will be allowed. This restriction shall be included in the restrictive covenants.

12. **Swimming Pools.** No swimming pools shall be located nearer to any street line than the rear building line of the dwelling or the side yard building line in the case of a corner lot. No above ground swimming pools will be allowed.

13. **Streets.** Curb and gutter and asphalt will be used on all streets within the subdivision which shall also be constructed to County public road standards for subdivisions. Streetlights not to exceed fifteen (15) feet in height and of a uniform design shall be provided.

14. **Recreational Vehicles.** No recreational vehicles or boats shall be parked on the streets. This restriction shall be included in the restrictive covenants. Recreational vehicles shall be parked in side or rear yards of individual lots.

15. **Fences.** An ornamental fence, similar to that shown on EXHIBIT A (see case file), a minimum of six (6) feet in height featuring brick columns every fifty (50) feet shall be provided adjacent to Hunton Park Boulevard, and extended from Hunton Park Boulevard for a minimum distance of one hundred (100) feet along
the eastern and western property lines. Additionally, a six (6) feet tall fence of black vinyl coated chain link shall be provided along the Interstate 295 property line and shall be extended northward along both the eastern and western Property lines to connect to the ornamental fence. Ivy shall be planted at the base of the fence in addition to supplemental landscaping inside the fence at the time the fence is installed. Fencing on individual lots shall be restricted to forty-two (42) inches in height, unless constructed of brick or finished masonry materials. Stockade fences shall not be permitted.

16. **Density.** The number of houses constructed on the Property shall not exceed ninety-two (92) houses.

17. **Landscaping.** Front yards shall be irrigated, sodded or mulched other than where existing vegetation is not removed.

18. **Entrance Feature.** An irrigated, landscaped entrance feature shall be provided subject to approval by the Director of Planning and shall incorporate a privacy gate similar to that shown in EXHIBIT A (see case file).

19. **Garages.** All homes shall have a minimum of a two car garage. Front loading garages shall not be permitted.

20. **Cemetery.** The cemetery located on the Property shall be removed.

21. **Sound Suppression.** Houses located within three hundred (300) feet of I-295 shall have sound suppression measures incorporated into the exterior walls adjacent to I-295 sufficient to achieve a minimum 54 sound co-efficient rating.

22. **Security System.** A security system shall be provided for each dwelling unit.

**APPLICABLE TO RTHC DISTRICT**

1. **Density.** No more than 225 dwelling units shall be permitted on the Property.

2. **Architectural Treatment.** The two and three story townhouses constructed on the Property shall be substantially in conformance with the elevations marked EXHIBIT B filed with this case (see case file).

3. **Minimum Sizes.** The minimum finished floor area of a maximum of one hundred (100) units shall be 1700 square feet and shall have a minimum width of twenty-four (24) feet. The minimum finished floor area of the remaining units shall be 2000 square feet and shall have a minimum width of twenty-eight (28) feet.
4. **Buffer.** A landscaped or existing vegetation buffer area a minimum of twenty-five (25) feet in width and planted to the standards of the 25' Transitional Buffer shall be maintained along the Property line adjacent to Hunton Park Boulevard. The majority of the sodded, seeded and landscaped areas shall be irrigated. Best management practice facilities shall not be permitted in this buffer area.

5. **Access.** The primary access to the Property shall be provided from Hunton Park Boulevard. Any secondary accesses shall be from Hunton Park Lane and/or Hunton Park Boulevard.

6. **Water Features.** Any stormwater management facility located within one hundred (100) feet of Hunton Park Boulevard shall be a water feature equipped with an aeration system or a fountain.

7. **Fence.** An ornamental fence similar to that shown on EXHIBIT A (see case file), a minimum of six (6) feet in height featuring brick columns every fifty (50) feet shall be provided adjacent to Hunton Park Boulevard extended fifty (50) feet past the eastern most entrance and extended from Hunton Park Boulevard along Hunton Park Lane to a point fifty (50) feet south of the proposed Hunton Park Lane entrance to the Property. The ornamental fence shall be located at the top of the bank adjacent to Hunton Park Boulevard or approximately twenty five (25) feet from the Property line which ever distance is greater. Fencing on individual lots shall be restricted to forty-two (42) inches in height, unless constructed of brick or finished masonry materials. Stockade fences shall not be permitted. Additionally, a six (6) feet tall fence of black vinyl coated chain link shall be provided along the Interstate 295 property line. Ivy shall be planted along the base of the chain link fence in addition to supplemental landscaping inside the fence at the time the fence is installed.

8. **Amenities.** A pool with clubhouse shall be included as part of the Plan of Development. The clubhouse shall incorporate such design features as an exercise room, dressing rooms and bathrooms.

9. **Sign.** The sign identifying the development on the Property shall be constructed with a ground mounted brick or stone base and shall not exceed ten (10) feet in height.

10. **Entrances.** The main entrance from Hunton Park Boulevard shall be designed as a boulevard entrance with a landscaped and irrigated median.

11. **Building Materials.** All buildings shall have exposed exterior walls (above finished grade) of stone, brick, vinyl siding or a combination of the foregoing. A minimum of twenty-five percent (25%) in the aggregate, of the visible portions of the exterior front building wall surfaces of each building, excluding windows,
doors, breezeways and architectural design features, shall be of stone or brick construction.

12. **Fireplaces.** All fireplaces, except direct vent fireplaces, shall have brick or stone chimneys and shall be constructed on a brick or stone foundation.

13. **Mechanical Equipment.** Mechanical equipment shall be screened from public view at ground level at the Property lines in a manner approved at the time of Plan of Development review.

14. **Trash Service.** Trash pick up service shall be provided for each building and shall not commence before 7:00 a.m. or extend beyond 9:00 p.m.

15. **Underground Utilities.** Except for junction boxes, meters and existing overhead utility lines and technical or environmental reasons, all utility lines shall be underground.

16. **Use Restrictions.** No group care facilities or churches shall be permitted.

17. **Lighting.** Parking lot lighting standards shall not exceed fifteen (15) feet in height as measured from the grade of the base of the lighting standard and directed to minimize glare on public roads and adjacent properties. Street lights a maximum of fifteen (15) feet in height as measured from the grade of the base of the lighting standard shall be provided.

18. **Sound Suppression.** The dwelling units shall incorporate sound suppression measures between units and in exterior walls of units adjacent to I-295 located within three hundred (300) feet of I-295 with a minimum 54 sound coefficient rating.

19. **Townhouse Units.** No more than six (6) townhouse units shall be attached in a series.

20. **Garages.** Each townhouse unit shall have a two (2) car attached garage.

21. **Streets.** Curb and gutter shall be used on all streets which shall also be constructed to County pavement design standards and shall measure thirty (30) feet in width per current County road design standards. Further, curb and gutter shall be designed to meet the current County standard for "roll top" curb and gutter and shall measure not less than 3'-0" from edge of pavement to back of curb.
22. **Sidewalk.** A sidewalk shall be provided adjacent to the interior roadways and parking areas and shall be constructed to current County road standards and specifications for sidewalks.

23. **Restrictive Covenants.** Prior to or concurrent with the recordation of the subdivision plat approved by the County and before the conveyance of any portion of the property covered by said subdivision plat (other than for the dedication of easements, roads or utilities) there shall be recorded a document in the Clerk’s office of the Circuit Court of Henrico County, Virginia setting forth quality controls on the development, provisions for the maintenance of all portions of the Property and requiring the establishment of a homeowners association.

24. **Recreational Vehicles.** No recreational vehicles or boats shall be parked on the Property. This restriction shall be included in the restrictive covenants.

25. **Security System.** A security system shall be provided for each dwelling unit.

**APPLICABLE TO BOTH R-2A and RTH DISTRICTS**

1. **Conservation.** Notwithstanding the uses permitted and regulated by the zoning of the Property, such portions of the Property which lie within a one hundred (100) year flood plain as determined by definitive engineering studies approved by the Department of Public Works may only be used for the following purposes:

   (a) Storm water management and/or retention areas;

   (b) Ponds, lakes and similar areas intended as aesthetic and/or recreational amenities and/or wildlife habitats;

   (c) Access drives, utility easements, signage, walkways and recreational facilities installed in a manner to minimize their impacts; and

   (d) Such additional uses to the uses identified in (a), (b) and (c) above as may be deemed compatible and/or of the same general character by the Planning Administrator (Director of Planning) pursuant to Chapters 19 and 22 of the Henrico County Code (respectively, the “Subdivision and Zoning Ordinances”); and

   the Owner shall, prior to final construction plan approval, apply to rezone such portions of the Property to a C-1 Conservation District. The location and limits of such portion(s) of said Property shall be established by Plan(s) of Development and/or subdivision plats approved pursuant to the Subdivision and/or Zoning Ordinance.
2. **Entrances.** The entrances to the Property shall have electronically controlled gates, if specifically approved by Henrico County.

3. **Severance.** The unenforceability, elimination, revision, or amendment of any proffer set forth herein, in whole or in part, shall not affect the validity or enforceability of the other proffers or the unaffected part of any such proffer.

The Planning Office has been advised of the action of the Board of Supervisors and will revise its records and place a copy of the accepted proffered conditions in the Conditional Zoning Index.

Sincerely,
