The Board of Supervisors accepted the following proffered conditions, dated January 24, 2006 which further regulate the above described property in addition to all applicable provisions of Chapter 24, Code of Henrico (Zoning Ordinance):

References herein relate to the parcels and roads (the "Property") as shown on the Rezoning Plat prepared by Youngblood, Tyler & Associates, P.C. entitled "15.664 Acres of land Located at the South Eastern Corner of Hickory Bend Drive Phase II and Hickory Park Drive, Rezone from 0-3C to R-THC, Three Chopt District, Henrico County, Virginia", dated September 13, 2005, filed with the Rezoning Application:

1. **Greenbelts.** Greenbelts for landscaping, natural open areas and scenic vistas shall be provided twenty-five (25) feet in width adjacent to the right-of-way lines of Hickory Bend Drive and Hickory Park Drive except to the extent necessary for utility easements, bicycle paths, jogging trails, signage, sidewalks, access driveways for major project areas and other purposes requested and specifically permitted, or if required, at the time of subdivision approval and/or Plan of Development, or by any other governmental body.

2. **Pedestrian and Bicycle Access.** Pedestrian and bicycle access ways shall be provided along Hickory Bend Drive and Hickory Park Drive at the time of Plan of Development and/or subdivision review. A conceptual pedestrian accessway master plan reflecting the foregoing shall be submitted with the first subdivision plat or Plan of Development.

3. **Elevations/Architecture.** Various design elements shall be incorporated to provide variety amongst individual units including, but not limited to, the following: varying colors of brick, brick accents (including, but not limited to, arches with or without keystones, soldier courses and accent coloring different from any main brick coloring), varying colors of siding, varying window designs, and varying doorway designs. The architectural design of the units shall also be similar to the architectural appearance shown on the elevations attached hereto (see case file), unless otherwise requested by the applicant and specifically approved at the time of Plan of Development. All residences shall have all brick or stone exteriors, the foregoing excluding windows, doors, breezeways, architectural design features and areas which cannot support brick, in which case cementitious siding shall be utilized.
4. **Foundations.** The exposed exterior portions of exterior residence foundations shall be constructed of brick or natural stone.

5. **Chimneys.** No chimneys or gas vent units shall be cantilevered. The exposed portions of all **fireplace chimneys shall be of brick or stone. This proffer shall not apply to direct vent gas fireplaces or appliances.**

6. **Density.** There shall be no more than fifty-nine (59) units developed on the Property.

7. **Square Footage.** Homes shall have a minimum of 2,000 square feet finished on the first floor, or if there is not 2,000 square feet finished on the first floor, the home must have a minimum, of 2,600 finished square feet of which a minimum of 1,800 must be finished on the first floor. Finished square footage shall be computed by dimensions taken from outside of finished wall to outside of finished wall and shall not include garage area.

8. **Garages.** All homes shall have a minimum of a two-car garage with two single garage doors. Any front-loading garages shall be recessed a minimum of two (2) feet from the adjacent front portion of the home.

9. **Age Restriction.** Except as otherwise prohibited by the Virginia Fair Housing Law, the federal Housing Law, and such other applicable federal, state, or local legal requirements, any development shall be administered in such a manner as to restrict occupancy of residential dwelling units to "housing for older persons" as defined in the Virginia Fair Housing Law and shall have no persons under 19 years of age residing therein.

10. **Type of Homes.** Units constructed shall be single family detached condominiums.

11. **Underground Utilities.** Except for junction boxes, meters and existing overhead utility lines and technical or environmental reasons, all utility lines shall be underground.

12. **Driveways.** No driveways serving individual dwellings, other than driveways for access drives for major project areas, shall have direct access to Hickory Bend Drive or Hickory Park Drive.

13. **Protective Covenants.** Prior to or concurrent with the recordation of the first subdivision plat or Plan of Development approved by the County and before the conveyance of any portion of the Property covered by said subdivision plat or Plan of Development (other than for the dedication of easements, roads or utilities), a document shall be recorded in the Clerk's Office of the Circuit Court of Henrico County, Virginia, setting forth controls on the development and
maintenance of such portions of the Property. Said covenants shall include requirements for aggregate driveways, initially sodded and irrigated front, side and rear yards, brick steps to front doors and standard mailbox design.

14. **Severance.** The unenforceability, elimination, revision or amendment of any proffer set forth herein, in whole or in part, shall not affect the validity or enforceability of the other proffers or the unaffected part of any such proffer.

15. **Screening.** Unless GPIN 746-769-7196 is incorporated into the development of the Property, prior to the issuance of final certificates of occupancy for homes on the Property within one hundred (100) feet of the western property line of GPIN 746-769-7196, the developer shall install along such property line Leyland cypress trees a minimum of five to six feet in height at the time of planting, which trees shall be placed approximately ten feet apart on center, unless otherwise approved at the time of Plan of Development or Landscape Plan approval.

16. **Extension of Water Line.** Unless GPIN 746-769-7196 is incorporated into the development of the Property, at such time as water lines are extended to the lots adjacent to GPIN 746-769-7196, a residential water line shall be stubbed to the common property line of the Property and GPIN 746-769-7196 to service the existing home on GPIN 746-769-7196.

17. **Study of Any Grave Sites.** Prior to Plan of Development approval, the owner shall have a study performed to determine whether any graves exist on the Property. If any graves are discovered, either prior to or during construction, the owner shall either remove and reinter the remains off the Property or shall protect the remains and provide an ingress/egress easement, all as provided by law.

18. **Driveways and Walkways.** Driveways and any walkways from driveways to entrances to homes shall be constructed of exposed aggregate. Driveway aprons may be constructed of concrete where adjacent to concrete sidewalks along Hickory Bend Drive and Hickory Park Drive.
The Planning Department has been advised of the action of the Board of Supervisors and will revise its records and place a copy of the accepted proffered conditions in the Conditional Zoning Index.

Sincerely,

Virgil R. Hazelett, P.E.
County Manager
