The Board of Supervisors accepted the proffered conditions, dated October 24, 2006, which further regulate the above described property in addition to all applicable provisions of Chapter 24, Code of Henrico (Zoning Ordinance):

1. **Site Plan:** Parcel A and Parcel B shall be known as the “Property.” Parcel A & B shall be developed substantially similar to the site plan entitled “Parcel A West Broad Street Furniture Store & Parcel B Retail Site Layout” prepared by REA Architects LC dated 10/15/06 attached as Exhibit A (see case file), unless revisions to this plan are specifically requested and approved with the Plan of Development.

2. **Elevation:** Parcel A of the Property shall be developed substantially similar to the elevations attached as Exhibit B entitled La-z-boy Furniture Gallery, Vaughan Mills, prepared by Farrow Architects, Inc. dated February 2005 (revised 10/20/2006) with architectural materials treatment similar to the photograph rendering attached as Exhibit C, which is a photograph of the La-z-boy building at Virginia Gateway Center, Gainsville, VA, (see case file), unless revisions to this elevation are specifically requested and approved at the time of Plan of Development. All structures on the Property shall be architecturally similar in appearance, color and materials.

3. **Exterior Materials:** Building fronts, sides, and rears shall be constructed primarily of brick, exterior insulation finish system (EIFS), stone, ceramic tile, glass with or without aluminum framing, cast stone, split-faced block, and cement board siding. No exposed portion of any exterior wall surface shall consist of untreated or painted cinderblock. Aluminum, EIFS, wood, synthetic wood, and accent metal panels or other finished trim materials may be used for trim, architectural decorations, or design elements. All four sides of the building shall be architecturally similar in color, appearance, and materials. A minimum of 50% (fifty percent) of the exposed portions of each exterior wall surface, excluding doors, windows, and architectural accents, shall be brick.

4. **Uses:**
   a. If vehicular access is provided only from West Broad Street, then uses shall be as permitted and regulated in the B-1 Zoning District and a furniture store as regulated in the B-2 Zoning District.
b) If and when a second point of vehicular access is provided from any one the adjoining parcels, including parcel numbers 738-762-9005, 738-761-6025, 738-760-8449, or 739-761-2554, then uses shall be as permitted and as regulated in the B-2 Zoning District.

c) The following uses shall be prohibited:
   1) Automotive filling and service stations including convenience stores with fuel pumps;
   2) Meal delivery services;
   3) Fabrication shops;
   4) Flea markets & auctions;
   5) Gun store for sales or repair;
   6) Indoor recreation facilities;
   7) Billboards or attention getting devices;
   8) Establishments whose primary business is check cashing or making payday loans as defined and regulated by Sections 6.1-432 et. seq. and 6.1-444 et. seq. of the Code of Virginia (this shall not preclude banks, savings and loans or similar institutions that are not regulated by the foregoing Virginia Code sections);
   9) Adult businesses as defined in the Henrico County Zoning Ordinance;
   10) Fast food restaurants with drive through services.

5. **Buffers:** The Transitional Buffer 25 adjacent to the residential land use shall not be reduced to less than 20 feet wide.

6. **Dumpster Containers:** Except for gates and doors, dumpster enclosures shall be constructed of materials matching the principal structure. Gates and doors shall be opaque, substantial, and oriented to minimize views of the enclosures from public rights-of-way, unless otherwise approved at the time of Plan of Development. Support posts, gate frames, hinges, and latches shall be structurally sufficient to allow the gates to function without deficiencies such as sagging, not closing or disrepair. Concrete pavement shall be used where the refuse container pad and apron are located.

7. **HVAC Equipment:** Heating, air conditioning, and other mechanical equipment, except public utility company equipment, shall be screened from view of a person standing at the property lines.

8. **Underground Utilities:** Except for junction boxes, meters, and other public utility company equipment, all new utility lines shall be underground.

9. **Lighting:** All lighting shall be produced from fixtures that conceal the fixture light source. Parking lot lighting levels shall be reduced to a minimum level necessary for security purposes following the close of business.

10. **Public address:** No public address, paging, or speaker system that is audible at
the property line shall be permitted.

11. **Signage:** The property shall be limited to one (1) detached sign. Tenant signage shall be as permitted and as regulated in the B-2 Zoning District.

12. **Severance:** The unenforceability, elimination, revision or amendment of any proffer set forth herein, in whole or in part, shall not affect the validity or enforceability of any of the other proffers or the unaffected part of any such proffer.

The Planning Department has been advised of the action of the Board of Supervisors and will revise its records and place a copy of the accepted proffered conditions in the Conditional Zoning Index.

Sincerely,

Virgil R. Hazelett, P.E.
County Manager
