Re: Conditional Rezoning Case C-60C-06

Dear Mr. Carroll:

The Board of Supervisors at its meeting on January 23, 2007, granted your request to conditionally rezone from A-1 Agricultural District and R-3 One-Family Residence District to B-3C Business Districts (Conditional), a part of Parcel 816-712-7520, described as follows:

BEGINNING at the intersection of the northern right-of-way of Eubank Road, a 50' r/w and the eastern right-of-way of Laburnum Avenue, a 100' r/w, being the Point of Beginning; thence running along the eastern right-of-way N 01°34'30" W, 615.00' to a point; thence leaving said right-of-way N 88°25'30" E, 250.00' to a point on the western right-of-way of Robins Road, a 50' r/w; thence running along the western right-of-way S 01°34'30" E, 615.00' to a point; thence along a curve to the right with a chord S 46°34'30" E 21.21', and a L=23.56', $\Delta=90^{\circ}00'00''$, R=15.00' to a point on the northern right-of-way of Eubank Road; thence running along the northern right-of-way S 88°25'30" W, 220.00' to a point; thence along a curve to the right with a chord N 43°25'30" W 21.21', and a L=23.56', $\Delta=90^{\circ}00'00''$, R=15.00' to the point of beginning.

Said parcel containing 3.61 Acres or 157,403 Square Feet.

The Board of Supervisors accepted the following proffered conditions, dated December 7, 2006 which further regulate the above described property in addition to all applicable provisions of Chapter 24, Code of Henrico (Zoning Ordinance):

1. **Buffer along Eastern Boundary Line.** A landscaped traditional buffer of twenty-five (25) feet in width, planted to a Transitional Buffer thirty-five (35) feet shall be provided along the eastern boundary line. Sidewalks, utility easements, fencing/walls adjacent to Robins Road, and signage shall be permitted within such buffer; *provided, any utility easements shall be extended generally perpendicular through such buffer and any fence or wall shall be placed on the inside of any such buffer.*
2. **Best Management Practice.** Best Management Practice structures shall be located outside of the buffer along the eastern boundary line of the Property, except as a landscaping amenity or water-related feature and if requested and specifically permitted at the time of Plan of Development review; *provided, however, that such structure shall be prohibited on Laburnum Avenue. Any above-ground Best Management Practice structure shall include an aeration feature to move water within such structure.*
3. **Loading Docks.** Loading docks shall be screened from public view at ground level as approved at the time of Plan of Development review by use of a wall or other architectural feature similar to the exterior material as the building on which it is located, landscaping, or such other method as may be approved at the time of Plan of Development review.
4. **Trash receptacles.** Dumpsters and trash receptacles, not including convenience cans, shall be screened from public view at ground level with architectural material similar to the main building using such dumpster or trash receptacle and as otherwise approved at the time of Plan of Development review.
5. **Drainage and Utilities.** *All utility lines on the Property shall be underground, except for already existing utilities, junction boxes, meters, utility lines in wetland areas and utility lines required to be above ground by the utility company.*
6. **Parking Lot and Exterior Lighting.** Parking lot lighting standards within the Property shall not exceed twenty-five (25) feet in height, as measured from the grade of the lighting standard, except as otherwise permitted at the time of Plan of Development review. Parking lot lighting on the Property shall be produced from concealed lighting sources to minimize the impact of such lighting on adjacent properties, unless otherwise permitted at the time of Plan of Development review. Such lighting shall be reduced to no more than a security level following the close of business operations each day.

The exterior lighting on the Property shall be designed with a cohesive plan so that all exterior lighting shall use compatible design elements.

7. **Outdoor Speakers.** No public address, speaker or paging systems outside of any building shall exceed a decibel level of 65 at the boundary line of the Property.

8. **Use Restrictions.** The following uses shall be prohibited on the Property:
 - a. flea markets and antique auction, indoors or outdoors;
 - b. laundromats and self-service dry-cleaning establishments;
 - c. gun shop, sales and repairs, except that such gun sales and repairs shall be permitted in a store that sells a variety of sporting goods;
 - d. establishments whose primary business is check cashing and/or the making of *payday loans as defined and regulated by Sections 6.1-432 et seq. and 6.1-444 et seq. of the Code of Virginia (1950), in effect as of the date of the approvals of these proffers (the foregoing shall not preclude banks, savings and loans or similar financial institutions that are not regulated by the foregoing Virginia Code sections);*
 - e. lodge and fraternal organization;
 - f. sign printing and painting shop;
 - g. skating rinks (unless such ice skating areas are an amenity of the pedestrian-oriented shopping center), roller skating rinks, model racing tracks, electronic video game rooms, and bingo halls;
 - h. funeral home, mortuary, crematoria and/or undertaking establishment;
 - i. parking lots, commercial (nothing herein shall preclude parking lots as an accessory use to a principally permitted use);
 - j. adult businesses as defined by the County of Henrico;
 - k. billboards;
 - l. hotels, motels and motor lodges;
 - m. permanent on-site recycling collection facility;
 - n. truck stops;
 - o. communication tower;
 - p. self-storage facilities;
 - q. off-track betting parlors;
 - r. permanent on-site recycling collection facilities;
 - s. sewer/water pump stations;
 - t. massage establishments;
 - u. billiard parlor where such use is the principal use of the building, unless otherwise approved by the Planning Commission at the time of the Plan of Development review;
 - v. automobile, truck or recreational vehicle, storage lot for new or used cars and other vehicles, including junk or inoperable vehicles;
 - w. farm supply and service establishment, implement sales, rental and service feed and seed store;
 - x. fortuneteller, palmist, astrologist, numerologist, clairvoyant, craniologists, phrenologists, card reader, spiritual reader or similar activity;
 - y. janitorial service establishment;

- z. manufactured home sales, display and storage or sales, rental display and storage of travel trailer, travel vans, campers and truck camper tops;
 - aa. public utility service buildings, including facilities for the service or storage of utility materials or equipment;
 - bb. public dancehalls;
 - cc. rifle or pistol range;
 - dd. school for industrial training, trade or business;
 - ee. sheet metal shop or roofing company;
 - ff. shell houses or display houses.; and
 - gg. employment service or agency.
9. **Hours.** Hours of operation for any use on the Property shall be as permitted in the B-2 district.
10. **Signage.** All external signs shall be in compliance with a plan for the coordination of signage on the Property, which plan shall be adopted and enforced by an architectural control committee. This sign plan will be submitted as part of the first Plan of Development on the Property. All such freestanding signs shall be ground mounted, monolithic-type signs, shall not exceed ten (10) feet in height as measured from the grade of the base of the sign and shall be externally lit employing ground-mounted floodlight or spotlight-type fixtures directed toward such signs and away from public rights-of-way.
11. **Exterior Elevations.** All buildings on the Property shall have exposed exterior walls (above finished grade and exclusive of architectural features, windows and doors) constructed of masonry brick, stone, and/or glass and may have varying amounts of these exterior materials, unless different architectural treatment and/or materials are requested and specifically permitted at the time of Plan of Development review. Wood or composite siding, natural or cultured stone, marble, pre-cast or cast-in-place architectural concrete, exposed aggregate concrete, exterior insulating finish systems, and/or glass, or an equivalent, permanent, architecturally finished material may be utilized as accent materials on such buildings.
- No building on the Property shall be covered with or have exposed to view any painted or unfinished concrete block, sheet or corrugated aluminum, iron and/or steel or other materials unless requested and specifically permitted at the time of Plan of Development review.
12. **Protective Covenants.** Prior to or concurrent with the conveyance of any part of the Property covered by a Plan of Development approved by Henrico County, Virginia (other than for the conveyance of easements, roads or utilities), the owner of the portion of the Property covered by such Plan of Development, or its successors and assigns, shall record a document in the Clerk's Office of the Circuit

Court of Henrico County, Virginia, setting forth covenants that shall provide for high standards of uniform maintenance (consistent with commercial "Class A" projects) of individual sites, common areas, open space, landscaping and private streets, and cross access for pedestrian and vehicular traffic within the Property.

13. **HVAC Screening.** Any heating, ventilation and air conditioning equipment shall be screened from public view at ground level at the perimeter of the Property.
14. **Severance.** The unenforceability, elimination, revision or amendment of any proffer set forth herein, in whole or in part, shall not affect the validity or enforceability of the other proffers or the unaffected part of any such proffer.

The Planning Department has been advised of the action of the Board of Supervisors and will revise its records and place a copy of the accepted proffered conditions in the Conditional Zoning Index.

Sincerely,

Virgil R. Hazelett, P.E.
County Manager
