Dear Mr. Booth:

The Board of Supervisors at its meeting on May 8, granted your request for a Provisional Use Permit in order to permit operating hours until 2:00 a.m. for a restaurant and lounge on part of Parcel 9-B2-58, subject to the following conditions:

1. Application for a building permit to provide interior modifications to the building must be made within one year after the Provisional Use Permit is granted by the Board of Supervisors.
2. Should the extended hours of operation create a situation which adversely affects the public health, safety, and welfare of the residents in the area, the Provisional Use Permit shall be subject to revocation by the Board of Supervisors. Such permit will not be transferable, except between entities by common ownership.

The Planning Office has been advised of the action of the Board of Supervisors and will revise its records and place a copy of the accepted proffered conditions in the Provisional Use Permit Index.

Sincerely,

Angela J. Moore
