Dear Mr. Gunst:

The Board of Supervisors at its meeting on July 10, granted your request for a revocable Provisional Use Permit in order to operate a helistop facility on Part of Parcel 78-A2-9, Part of Innsbrook, Block B, Sections A & J, subject to the following conditions:

1. The helistop shall be located and guidelines designed and operated in accordance with all rules of the Federal Aviation Administration and the Virginia Department of Aviation, and in particular, scheduled flights shall adhere to an approach and departure path which minimizes overflights of residential areas.
2. The operation of the helistop shall comply with the permit provisions of the Uniform Statewide Fire Prevention Code, Article 8.
3. Takeoffs/landings shall occur only during daylight hours.
4. No more than twenty-six (26) helicopter landings shall be permitted in a calendar year.
5. Overflights over residential areas shall not be permitted unless required by federal or state aviation regulations.

The Planning Office has been advised of the action of the Board of Supervisors and requested to revise its records and to place a copy of this notification in the Provisional Use Permit Index.

Sincerely,
