Dear Gentlemen:

The Board of Supervisors at its meeting on August 10, 1994, granted your request for a revocable Provisional Use Permit in order to construct outside dining deck area, Parcel 84-A1-8, subject to the following conditions:

1. Trash receptacles shall be provided and properly serviced to control, insofar as possible, outside litter generated by the requested use.
2. No outside amplified live music performances shall be permitted.
3. Any outside speakers or sound system shall comply with the following standards:
  - a. Be equipped with controls that permit full volume adjustment.
  - b. Be operated so as to be inaudible from a distance of approximately 100 feet from the source.
  - c. Be used only when outdoor dining is permitted.
4. The outside dining area shall be limited to the area as described generally in this report and as included in the diagram contained in the Planning Office case file; that is, the area on the north side of the restaurant, approximately 18'x 23'.

The Planning Office has been advised of the action of the Board of Supervisors and requested to revise its records and to place a copy of this notification in the Provisional Use Permit Index.
